Check List*

Dear Class of 2021,

Last spring, when MHS shut down due to the COVID-19 pandemic, we were all confident that we would return to campus after Spring Break. It's now six months later and the fall semester is underway, and you are preparing for graduation! While there are many important tasks such as attending your classes, there is also plenty of fun during this time! This means taking senior portraits, ordering your yearbook, and writing your senior biography! This check list is here to help you stay on track!

MHS Yearbook is here to support and celebrate you during this final stretch of your high school years! Please reach out to us at mayfieldhighyearbook@gmail.com with any questions or concerns you may have!

Cheering you on,

MHS Yearbook
