President's Report: Mindy

We are still in need of a few Board Positions for next school year. Mindy encouraged everyone to look for someone with marketing and website knowledge for the communications position. Spring Signing Day is scheduled for April 27 at 3pm in the Gym. Everyone was encouraged to spread the word and attend the event. The 2022 Scholarship process is going smoothly. The deadline to qualify was March 1. Mindy will ask coaches to mention the scholarship to seniors which is given to one male and one female athlete each school year. The PTSA is mentioning it in the weekly newsletter. The committee will meet in April to decide and they will announce the recipients in May. Mindy is working with Cliff on the Business Planning for next school year and asked members to submit any request as soon as possible as she would like to vote on the Business Plan at the April meeting. Coach Klotz said he is considering asking for money towards new football helmets, as all players need them, instead of his previous request for help with new headsets for the coaches. Concessions has submitted requests. Robyn will also submit requests for merchandise. Concessions and merchandise would like wifi for the concessions stand to accept electronic payments.

Old Business: Mindy

Since Kim was unable to attend we will vote on her position as Volunteer Coordinator at the April meeting. Mindy is working on getting a sign for the stadium concessions stand that would light up and say Swarm Shack. It will be placed on the roof. She will look into asking the school and the county if they can help with this. She will also try and find out if the concession stand is part of the remodel that has recently been approved. Mindy announced the newsletter has been tabled until the new Board is voted in.

Treasurer: Kellie

The Treasurer's Report is attached and was passed out at the meeting. There were no questions.

Membership: Lisa

We got a few new members who are applying for the scholarship. Lisa reminded everyone all Board Members must pay and join before the next Board Meeting to be eligible to vote.

Merchandise: Mindy for Robyn

Shirts for board members will only be purchased if there is money in the budget. If there isn't money in the budget we will plan on shirts for next school year. Swarm shirts are being planned for the boy's basketball game if they play on March 12 in the state championship game.

Concessions: Mindy for Namita

March 4 is the last indoor concessions and after that everything will be moved outside. We are planning to use square and cash app for payments next school year.

Communications: Mindy

Ashly was unable to attend and since there isn't any urgent business the website, logo, and calendar will be discussed at the April meeting.

Fundraising: Mindy and Steve

Dynamic Pay has 12 members. It is very difficult to market with so many virtual events in place of in person events. March 8 is the spring meet the coach's night and Steve could speak at that. Steve will look into whether the memberships are one year from the date Booster Club purchased the cards or from when the cards are activated and we will discuss how to move forward with Dynamic Pay at the next meeting. Mindy is working on prices for mini Family photo sessions. If it works out they will take place in May and be marketed to Senior's.

New business: Mindy

Concessions will be open March 4 for the basketball game. Leander announced there will be a vaccination clinic at DHS that will most likely take place in April or May. This is an opportunity to sell merchandise and we will decide once a date has been set.

Admin: Mindy for Cliff

Spring tryouts started this week.

The meeting was adjourned at 8:20 pm.
