**'KEEPERS OF THE GAME'**

# Our Hall of Fame Banquet

Among the several guiding principles of the MFCA is to preserve the past, recognize achievement and honor accomplishment. The MFCA Hall of Fame Awards Celebration is an evening of joy, pride and gratitude to those 'Keepers of the Game' who, through their dedication to the Game, have earned the admiration, thanks and praise of colleagues and community in an evening of celebration.

The MFCA is proud to recognize these extraordinary 'Keepers' who yesterday, today, and we know will tomorrow, represent the very best values of the MFCA and of the game itself. There are few fraternities like the fraternity of football coaches and few huddles like the huddle of the GAME.

This evening, as we honor achievement and accomplishment, let us all renew our commitment to football, its everlasting preservation, and its vital role in the fabric of our lives.

Ron Stolski  
Executive Director, MFCA  
Proud 'Keepers of the Game'

# MFCA Code of Ethics

## PREAMBLE

One of the distinguishing characteristics of a profession in education may be that its members are cognizant of, and perhaps dedicated to, rendering a service to humanity. As educators who choose to coach football, we must understand that the justification for football is that it provides educational and physical values for those who play the game, and the game essentially belongs to the players who choose to play it. The welfare of the game depends on how coaches live up to the spirit and letter of ethical conduct, and how coaches, as educators, model ethical conduct, and remain mindful of the trust and confidence placed in them by colleagues, players and the public.

## PURPOSE

This code of ethics has been developed to protect, promote, and preserve the best interests of the game and the coaching profession. Its primary purpose is to clarify and distinguish ethical and professional practices from those which are detrimental. Its secondary purpose is to emphasize the value of football as an experience that contributes to the overall education of the student-athlete and to stress proper functions in relation to schools, players and the public.

## ARTICLE ONE | Responsibility To Players

1. Coaches shall be aware of the tremendous influence they have on the education of the student-athlete; therefore, they shall never place the value of winning above the value of instilling the highest ideals of character and integrity.
2. Coaches shall follow or create and enforce a set of training rules for players that reflect the positive values of abstaining from drugs, alcohol and tobacco.
3. Coaches shall never place the value of winning over the safety and welfare of players.
4. Coaches shall not exert pressure on faculty members to give players special consideration.
5. Coaches shall show respect to all players by treating them with integrity and honesty in both verbal and nonverbal behavior, regardless of their role or contribution to the team.
6. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.
7. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players; they shall instruct players to play within the written rules and within the spirit of the game at all times.

## ARTICLE TWO | Professional Behavior

1. Coaches shall exemplify the highest moral character, behavior and leadership.
2. Coaches shall display modesty in victory and be gracious in defeat.
3. Coaches shall promote ethical relationships among fellow coaches.
4. Prior to, and following contests, coaches for the competing teams should meet and exchange cordial greetings to set the correct tone for the event.

## ARTICLE THREE | Sportsmanship

1. Coaches shall exhibit, model and teach good sportsmanship.
2. Coaches shall exert their influence to enhance sportsmanship by spectators, both directly and by working closely with cheerleaders, pep clubs, booster groups, parents and administrators.

## ARTICLE FOUR | Scouting

It is considered ethical to scout opponents only during games and agreed upon scrimmages, and within the designated rules of the conference or section by-laws. The head coach is responsible for the actions of his scouts.

## ARTICLE FIVE | Relationships With Game Officials

Coaches shall respect the integrity and judgment of the game official. Coaches shall not indulge in conduct which would incite players or spectators against officials. Public criticism of officials is considered unethical.

# The Hall of Fame Induction Process

The Minnesota Football Hall of Fame honors those unique individuals whose efforts in coaching, administration and promotion of football have been truly outstanding.

# The Butch Nash Outstanding Assistant Coaches Award

**The Butch Nash Award** is one of the most significant recognitions of the MFCA awards. Named in honor of the legendary Gopher Football assistant coach, George “Butch” Nash, the award recognizes those coaches who represent what is best in assistant coaches everywhere.

Butch was respected, honored and revered by all whose lives he touched: players, colleagues and public. During his extraordinary career as a Gopher assistant coach, he exemplified the endearing qualities of coaching competency, unconditional loyalty, integrity, many years of dedicated service, pride in his profession, and unrivaled passion for the Golden Gophers and the game he loved.

The MFCA is proud to recognize those coaches who have, over a career, demonstrated the qualities embodied in a true legend and one of the original ‘Keepers of the Game.’

**The Don Swanson Award** represents exemplary service to the MFCA. It is presented annually to a member of our association who personifies what the late **Don Swanson** exemplified: unconditional service to and for football in Minnesota. "Swannie" was a respected teacher, coach, administrator and friend to all who knew him. His passing in 2009 left us all with a void.

He was a proud graduate of South High school and Gustavus Adolphus College and a lifelong educator in the city of Minneapolis. His work as part of the MFCA clinic is legendary and he will never be replaced. In honoring "Swannie," we remember his sense of humor, his quick wit, his engaging charm, and, most importantly, his tireless efforts on behalf of students and coaches. He was one of our finest – a true 'Keeper of the Game.'
