PARENT / LEGAL GUARDIAN

I confirm that:

- I am a parent or legal guardian of the above mentioned player;
- The coach has explained to me that, in his/her opinion, the player's physical development, skill level and experience is sufficiently high that he is capable of competing safely with players in the proposed age grade.
- If this dispensation is for an older age grade or Senior Rugby, it has been explained to me that the risk of injury may be increased by the player playing in an older age grade.
- I understand that rugby is a contact sport and, like all contact sports, players are exposed to a risk of injury. I also understand that the level of risk may be heightened when a player participates in an age grade where the player's physical development/maturity, skill level and experience are inferior to that of the players he/she will play against.
