

## REGION 2 Sponsorship Opportunities – 2018/19

**New Bibs:** We will be purchasing 280 new bibs this season. We will place your Company logo on the front or back only of each bib for \$500 or get your logo on both front and back for \$750. We have only total of four spots for logos available.

**New Trailer:** Region 2 has purchased a new equipment trailer! We are looking to find sponsors that would like their logos on the trailer. The logos will be large (roughly 2'x3') and very visible. The trailer will travel throughout Region 2 from December thru March. Logos will remain thru the life of the trailer. Sponsorship cost is \$1000.

We will need high resolution IMP or better images for either option.
