

PFCPOL-41 COVID VACCINATION POLICY

Effective Date: October 2, 2021
Reviewed Date:
Revision Number: 1
Revision Date: January 23, 2022

Policy Rationale

Pickering FC, in reviewing the requirements of the Ontario Government regarding COVID19 vaccinations as well as the clarifications and exemptions outlined by Ontario Soccer, has established this COVID-19 Vaccination Policy.

In assessing both of these documents the Board needed to assess

- (1) The impact on Club members including; staff, coaches, match officials and volunteers,
- (2) The impact on our players and their well-being,
- (3) The impact on our external users including leagues and other sports.

As a result, this policy will take effect at 12:01am October 2, 2021 and until further notice unless otherwise specified.

Policy Statement(s)

1. All PFC Staff, Coaches, Match Officials and Volunteers 12 years and older are required, at point of entry, to provide identification and proof of being fully vaccinated against COVID-19 or a valid medical exemption in order to gain access to the Pickering Soccer Centre.
2. All indoor facility users, 18 years and older, are required, at point of entry, to provide identification and proof of being fully vaccinated against COVID-19 or a valid medical exemption and complete a contact tracing form (via QR code) in order to gain access to the Pickering Soccer Centre.
3. All spectators and visitors, 12 years and older, are required, at point of entry, to provide identification and proof of being fully vaccinated against COVID-19 or a valid medical exemption and complete a contact tracing form (via QR code) in order to gain access to the Pickering Soccer Centre.

For the purpose of this policy, "Fully Vaccinated" means a person has received:

For the purpose of this policy, the terms "Fully Vaccinated", "Proof of Vaccination" and "Medical Exemption" are those defined by the Ontario Government and may change over time.
