

West Side Boosters *Post Secondary Education Scholarship*

Application Deadline May 6th, 2019

We are an all-volunteer organization that works to instill core values and principled work ethics in our youth. This has been our mission and focus for the last 48 years. We also stress the importance of being a student athlete; education comes first and foremost.

Through the leadership of our coaches and parents, our young athletes have learned that they can compete on any field, on any court and in any venue throughout the state. And this is a lesson is carried with them long after we have finished coaching them.

This scholarship provides additional support that carries our athletes far beyond their years of playing for our organization.
