Pro Motion Hockey Named Preferred Skill Development Partner by Team Maryland

Columbia, MD / Rockville, MD (October 25, 2021) - Team Maryland, the Premier Tier 1 Hockey program in the DMV, announced today that Pro Motion Hockey has become a Preferred Hockey Skill Development & Training Partner of Team Maryland.

The long-term partnership is designed to continue the growth of hockey in Maryland and will focus on Mentorship & Skill Development for hockey players in the DMV. The mission is to build a curriculum-based program that will enhance the fundamental skill sets of hockey players in the area so local hockey programs develop deeper talent pools and continue to thrive.

“We are committed to building the Top Tier 1 hockey program in the country and we believe we can achieve our goal if we have a laser focus on Hockey Skill Development. We believe the partnership with Pro Motion Hockey leverages our respective strengths and provides a unique opportunity to not only enhance the skill sets of current Team Maryland players but also other players in the DMV who have aspirations of playing with Team Maryland in the future” said Mike Weiss (President of Team Maryland)

Pete LeBoutillier (Managing Partner of Pro Motion Hockey) “We are thrilled to have the opportunity to impact the boys and girls who play hockey for Team Maryland and other organizations in the DMV. Our mission is to create an environment where hockey players stay in the area to pursue their hockey dreams. Our long-term approach of Skill Development, Mentorship and Player Promotion is designed to develop and promote the aspirations of local hockey players with dreams of pursuing their careers beyond youth hockey.
