 St Cloud, MN 56301

MITE HOCKEY CAMP

Summer is a time for swimming, baseball, golf, soccer, fishing, and camping. Hockey players and their families also look for ways to lace the skates up a few times. After looking at Canadian, European, and USA Hockey models of skill development, the SCYHA feels it is important to provide Mite hockey players a taste of summer hockey to spend additional time honing individual hockey skills while having a blast doing it!

Summer Hockey Builds:

- increased creativity and ice awareness
- improved skating technique
- enhanced shooting and scoring skills
- increased repetition for players wanting to focus more on goalkeeping
- motivated kids

Coach Stan- Grand Rapids stand out player has continued to grow his love for hockey in St Cloud. Gregg Stanley has played on multiple Championship teams, he has coached at every level of youth hockey for many years. Stan has also coached other coaches on the fundamentals of coaching. Besides coaching Stan continues to play himself. He has a deep understanding of the developmental stages of hockey players. Stan is encouraging to players, and helps them grow both on the ice and off. He demonstrates hockey skills and helps players out of their comfort zone when doing drills.
