Donation Form

International Futbol Club of Mississippi would like to thank you for your interest in sponsoring our athletes for the upcoming season. IFC is a new Soccer Club in Mississippi that is dedicated to development of the areas youth soccer players. We are extremely excited to bring a new and modern approach to the way the State of Mississippi's youth soccer players are trained both on and off the pitch. We are determined to support our local communities in top competitions.

The program identifies and develops youth players throughout the area to represent their state association, region and the United States in soccer competitions at the highest level. Donations are made to a non-profit scholarship organization that will then pass your donation on to a team or player. You can designate a specific team or player below.

Checks to be made payable to **IFC Scholarship-Sponsorship Fund**. The Tax ID for this organization is **82-2214896**.

Please **PRINT** or **TYPE** legibly
