Message from Admin:

Kate O'Brien –

- finished student lead conferences and received positive feedback. Sending out a survey for more concrete feedback

- student grades are up to date, now is a good time to check and to reach out to teachers if needed

- We are no longer on a good covid trajectory. 94/1000000 cases covid/big spike. On pause until January then will revisit the decision tree. This outlook will give both staff and families time to plan allow us to settle in and move forward however we need to.

- Staff misses the kids!
- - Unprecedented amounts of requests for Turkey Baskets this year (list of what makes Turkey Baskets on school website
- Hazen for Hazen drive – Additional crisis, families need support immediately. More info to come out soon. Looking for resources to provide in the moment to plan for long term.

Thank you to Admin for adapting and communicating!

Next Meeting November 18th.
