

Why Futsal

Futsal is especially great for improving speed of play, technical skills, decision making and fitness.

Futsal is the only indoor game recognized by FIFA.

If skills development is important, Futsal is recognized as the best game. But that's not the only reason.

1. More touches of the ball.
2. Small spaces under constant pressure builds ball control skills
3. Futsal is a fast game, quick moves, passes and thinking.
4. Every player is fully engaged, attacking and defending.
5. Less expensive – Futsal makes quality soccer more affordable
6. Fun. Speed the teamwork & goal scoring make the game fun!
