

# ACTION BULLETIN

Bulletin #: A2025-03  
October 7, 2025

**To:** Ontario Soccer; District Membership  
**CC:** Ontario Soccer; Board of Directors, Staff  
**From:** Patty Forbes, Senior Director, Corporate

**Subject:** PowerUp Planned Roll Out Update

Ontario Soccer is pleased to provide the following update regarding our New Member Registration System communicated in Information Bulletin [I2025-26](#), soon to be launched on **November 1, 2025**. Over the next four weeks District Associations and Clubs will receive their training, on the platform, meet the PowerUp support staff and be prepared to start registrations for the **Outdoor 2026 season**.

**PowerUp Clubs** can expect information on the activation of new features and tools to sync their participants and teams to the Governing system, as well as the tools to submit rosters for approval by the District.

**Non-PowerUp Clubs** (this includes those with or without a third-party registration system) will be notified of user setup by the applicable District and can expect information on importing (uploading) their participants, as well as the tools to submit rosters for approval by the District.

This Bulletin lists six (6) VIRTUAL sessions over three (3) weeks which are available for Clubs to sign up and attend. This allows for flexibility, and Club Administrators to choose the one that best fits their schedule. Clubs can choose to attend any of the six (6) sessions, they do not need to attend multiple sessions as the content will be the same for each. There will be support documentation as well as video/recording available on the various tools in the system for Club leaders to reference in future.

All Clubs can expect easy-to-use tools for transmitting registration information to Districts and Ontario Soccer. For **PowerUp Clubs**, this will require very little in addition to what is already done by your Club. For **Non-PowerUp Clubs**, this will be via the import (upload) process. Submission of (competitive) rosters for District approval will be handled by the tools provided in the system.

Play . Inspire . Unite .

Topics to be covered in the sessions are:

- Importing of players/team staff (Non PowerUp Clubs)
- Syncing of players and team rosters (PowerUp Clubs)
- Submission of teams to Districts for approval
- Accessing official approved rosters
