Tie-breaker criteria – for two-way ties, the #1 team will be the team that won the pool play match between the two tied teams. All other ties will be determined first by match % (matches won divided by matches played), set % (sets won divided by sets played), then total point differential (total # of points won subtracted from total # of points lost), then finally a coin toss.

Coaches have your team clean up their bench area after each match. Garbage cans will be located by scorer's table. Teams should also clean up their team bag areas in the halls.
