

2015-2016 CJ BOYD AWARD WINNER

ZACHARY KELLER
#41

Zach graduated in 2016 with a 4.34 GPA and high honors. He served as captain of the varsity team during his senior year and also won both the CJ Boyd Award and Players Player Award. Zach is honored to receive these awards and join the list of outstanding people who have won them in the past. He never got the chance to meet CJ, but he is proud to carry on his legacy. Outside of hockey, Zach is active in the community through several fundraisers while also being a member of the National Honors Society. He will attend Pennsylvania State University in the fall to study engineering. He would like to thank his family and coaches who have supported him on and off the ice. Zach would also like to wish the best of luck to the Plum Hockey organization as well as the seniors in the upcoming seasons.

Plum Hockey Association congratulates Zach and wishes him success and happiness in the future!
