

PICKERING FOOTBALL CLUB

MONTHLY NEWSLETTER

Dear Members, Supporters and Stakeholders,

As a not-for-profit soccer organization in Ontario it is mandatory that we complete a financial audit each year and hold a transparent Annual Members Meeting where we can share the audit and other matters. I am pleased to say that Board and Staff guided us through a successful audit with our, member approved, audit team from Grant Thornton. The AMM was held this past Wednesday where reports from the President and Executive Director were shared with those in attendance. The AMM also included changes to our by-laws to further comply with the Ontario Nonprofit Corporations Act (ONCA) and concluded with our most contested elections yet.

We want to thank everyone who was able to attend in-person or by proxy, and most importantly we want to thank Roz Lavoie! Roz was a PFC Board Member in the early 2000's when her daughter was playing as a competitive goalkeeper. After a period away from the Club she was persuaded back as the PFC Club Secretary in 2017 and has provided fantastic support to the Board and Staff throughout the turmoil of the pandemic, dome collapse and transition to ONCA. We've been lucky to have Roz share her priceless volunteer hours with us and we wish her all the best in what will now be a proper retirement.
