Volunteer List- Manager Instructions

- This volunteer list can be revised to accommodate your team, but these jobs are essential to the running of a team.
- As all teams carry a maximum of 17 players, there are enough jobs to accommodate all parents.
- The three most important jobs to fill at the beginning of the year are:
- 1. Team Manager
- 2. Treasurer
- 3. Hcsp
- 4. Jersey Parents

As most coaches usually appoint their team managers, the team managers can get this list started right away so that the coach can focus on coaching the kids. Managers need to be in place in order to attend necessary meetings to obtain game schedules. All managers can get the parents organized so that schedules/meetings and other communication can be emailed out.

Tips on Filling Volunteer List

You can fill this list by:

1. Email this list to your team- copy and paste it on a separate document.

Let them know ahead of time when list will be sent out (For example tomorrow after dinner time, etc)

- Have each family pick a first and second job.
- Jobs assigned based on first come email response
- Any jobs left over will be assigned to parents who still need to volunteer
- 2. You can also bring to first Team Meeting and all jobs must be filled before meeting started.

Volunteer Hours

Please let parents know that Nvmha cannot run without its volunteers.

•	 All families must fulfill a minimum of 5 hrs volunteer time (either team or association wide)
