# HOWARD COSELL'S GAME OF THE WEEK:

## PRIME TIME VS. THE WHO- GAME 1

With the wind blowing out and Chubby pitching this figured to be a high scoring game. Both teams were playing without key players; The Who were without their 1st pick Jackie Braha and Prime Time was without Stefan Betesh who was told his services were no longer required.

Top of the 1st Richie Shalom doubles with 2 outs, Braha was walked intentionally to pitch to Sakkal. Sakkal proceeds to strikeout swinging...that's right! Strike out swinging against Chubby. Bottom of the 1st Jack Gemal and Jackie Harary walk with 1 out and Jason Cohen follows with a 3-run homer to the right field pavilion. Bottom 3rd J.G. triples with 1 out and scores on a Sac Fly by Jason Cohen to make it 4-0. Stephen Beda follows with a solo HR to put The Who ahead 5-0. Top 4th Prime Time starts to chip away as Sakkal singles and scores on a Rayco double. Top 5th Sultan walks with 1 out and scores on a 2-run HR from Richie Shalom to cut the deficit to 5-4.

Score remains the same until the 7th as Sultan flies out to right and Joey Cohen follows with a HR to right-center to tie the game. Richie Shalom hits his 2nd homer of the game to put Prime Time ahead 6-5. Bottom 7th, Morabia leads off with a hard single to right, Sonny Gindi hits into a fielder's choice and Zac Dweck flies out flies out to bring up Morris Shamah who was 0 for 97 so far this season. Saka says, "Let's go with 4 outfielders" and it looked like a good idea until Shamah ripped a 3-0 pitch down the right field line into the bushes for a 2-run homer and a wild come-from-behind victory for The Who. Final Score 7-6, The Who.

**\*\*NOTE** It has come to the attention of the league executives that many members would like to see the return game summaries. However due to the cutbacks in staff, it is not possible to continue this feature. However, if anyone would like to volunteer their services to write a short summary weekly for game, please contact Daniel at 531-5012. Press deadline is Monday evening, following the games. Thank You.

# Interview Of The Week...

**Mr. "Do"- Founder of Heaven's Gate.**  
**This interview was conducted by Michael Salomon**  
**who got an exclusive interview aboard the spaceship**  
**on the way to Mars.**

**MS:** Why? Why? Why the hell did you do it?

**DO:** We had no choice, I told the cult members, if Shomer leaves us on the YMSL waiting list one more year, we are going to do something about it

**MS:** Why did you waste all those brand-new black Nikes? I could've gotten a nice credit from Sports Authority with all those pairs.

**DO:** Well, we found out Martians only wear black shoes.

**MS:** Did you play softball when you were young?

**DO:** Oh, heaven yes! Me, Chubby, Ezra, Red, Albert Levy, and Picciotto were all on the same team.

**MS:** Were you friends with any of them?

**DO:** Certainly. Me & Chubby used to be a great pair. He used to pick up girls a lot, I used to pick up a lot of guys.

**MS:** Did you ever try to recruit any of them to be involved with Heaven's Gate?

**DO:** I almost convinced Red when he drove us to the airport, but he backed out when I told him he couldn't bring his bats aboard the spaceship.

**MS:** That was a beautiful house you had in San Diego. Why didn't you rent in Deal instead?

**DO:** Well, that same house in Deal would've cost me \$10,000 a month and I would've had to move out for the summers. That is another reason why I wanted to move to Mars. The rent is much cheaper over there, and the schools are better.

**MS:** I can't let this interview end without asking you one question. Do female Martians put out? Because if they do, maybe I'll come visit a couple of weeks a year instead of going to South Beach with Shomer.

**DO:** I wouldn't know, because in case you haven't heard we're all castrated

**MS:** That's even better, I'll get all the G's to myself. Is there anything you would like to tell our readers before we go?

**DO:** Yes, I would like to tell them if they would like to reach me at my Web Site the address is [WWW.CompletelyMajnoon.Com](http://WWW.CompletelyMajnoon.Com).
