

Lake City Boys Youth Basketball Program (4th Grade) 2018-19 Season

Check out www.lakecitybasketball.com for more info...

Dear Parents/Guardians of 4th Grade Boys:

The 2018-19 Lake City Elementary Basketball season for boys in 4th grade is quickly approaching. The purpose of the Lake City boys youth basketball program is to provide opportunities for all boys in grades 4-6 to learn the fundamentals of the game, develop skills, play in competitive situations, and have fun. Because we realize that we have kids and parents at different commitment levels, we have developed two registration options for kids to get involved. Also, players will receive new reversible jerseys during their 3rd and 5th grade years in the program. Players in grade 4 will receive their own indoor basketball to be used at practices.

OPTION 1: 4th Grade Youth Basketball: The boys youth basketball program will run on most Monday nights from 7:30-8:30 p.m. at Bluff View Elementary or the Lincoln High School Auditorium throughout the winter season (Mid-November – February); practices will focus on building fundamental skills. Players participating in option 1 will practice one day/week (Monday) and will play in 2-3 Saturday Tournaments (there are usually two games played on each Saturday tournament in a neighboring town). **The first practice is set to begin on Monday, November 12th from 6:30 pm - 7:30 pm at the Lincoln Auditorium Gym.** Complete schedules will be handed out at the first practice. The cost of the youth program will be \$40. The coach of the 4th grade basketball program will be Jason Lorenson and other parent volunteers.

OPTION 2: 4th Grade Youth Basketball + Traveling Basketball: The 4th grade youth + traveling basketball commitment will include the same practice times as Youth Basketball (all 4th graders, youth and traveling, will practice together), as well many additional practices (Thursdays and Sundays), throughout the winter. The traveling basketball season will begin in November (Coach Lorenson will contact you with the first Sunday practice time) and will continue through February. Kids participating in Option 2 will typically practice three days/week (Monday, Thursday, and Sunday) and play in 4-8 weekend tournaments throughout the winter season. Option 2 will consist of a greater time and monetary commitment and is a more competitive environment. The cost of Option 2 will be \$100. The coaches of the 4th grade basketball program will be Jason Lorenson and other parent volunteers.

Please turn in forms to the Bluff View office by **Friday, October 12th** and make checks payable to the Lake City Athletic Boosters. This event is run through the Lake City Athletic Booster Club and is not sponsored or endorsed by District 813. If you have any questions, please contact Brent Meincke at (507) 923-0059 or brent.meincke@alliancebanks.com.
