Appleton North Girls Basketball Club

1350 W Seneca Drive, Appleton, WI 54914 | appletonnorthhoops.com

Appleton North Girls Basketball Club (ANGBC) is proud to support our youth in a variety of ways.

The mission of the Appleton North Girls Basketball Club is to offer an amateur youth girls basketball program through a volunteer base. The program will represent the Appleton North Area School District and be used to benefit the K-12 Girls Basketball program within the district. Our club is a competitive environment where girls develop basketball skills, learn how to be a good teammate, value sportsmanship, and ultimately have fun. The goal is to get the girls ready to play basketball at the high school level.

Your sponsorship assists in:

- Developing young women in the Appleton community through basketball team activities
- Investing in further education for students who participate in the sport through high school
- Provide Summer programs, clinics, and tournaments to develop teamwork, trust, responsibility, and lasting relationships
- Providing uniforms, equipment and supplies for all 3rd grade through 8th grade participants

The Objectives of the Appleton North Girls Basketball Club:

- Cultivate individual skills and team play.
- Conduct programs that enhance and strengthen participation and competition for amateur athletes.
- Develop each player physically, mentally, and spiritually through exposure to higher-level competition.
- Work with other sports organizations to benefit amateur athletes in the Appleton North Area School District.
- Promote the philosophy, style of play, and ideals of the Appleton North High School Girls Basketball Program.
- Cultivate a financial base to aid the K-12 grade basketball program which will be used to upgrade opportunities, facilities, and equipment for all levels of play.
