

## RINK PROTOCOL

- All participating players, coaches & team staff must complete an online waiver prior to participating in any events at Aspen Ice Arena. A parent or guardian must sign for all players under 18. **No Spectators permitted.** (State Mandated)
- Everyone will be temperature screened upon entry. All players must wear a mask inside the facility, except on the ice. **Coaches must wear their mask at all times.**
- Players must show up fully dressed with helmet in hand or unbuckled to allow for a quick temperature check. **NO BAGS** permitted in the facility except for goalies.
- Players and coaches enter the building through the designated entrance **10 minutes** prior to puck drop. **Goalies may enter 15 minutes** prior to puck drop with their bag and can get dressed inside.
- Each team will be assigned an area inside the building where they can put their helmet and skates on. **Locker rooms are not available.** (Parents can tie players skates inside the lobby if needed but must exit afterwards)

***Before The Game*** - Once Zamboni is off players may exit the lobby into the rink, place shoes next to a chair in their teams designated area and go directly on the ice.

***After The Game*** - Players go back to their chair to take skates off and **exit the rink through the side door within 5 minutes after the final buzzer.** DO NOT EXIT BACK THROUGH THE LOBBY!

These guidelines are in place to keep everything efficient and as safe as possible, we appreciate everyone doing their part so we can stay on the ice.
