

## **10U Compuware House Hockey 2018-2019**

Dear Compuware Families,

To begin with, we would like to extend our appreciation and gratitude for your commitment to Compuware Hockey. We have put together some basic information that will help you and your family plan for the first weekend of our 2018-2019 Season. Below is what to expect out of our Evaluation Weekend:

### **Saturday, September 8<sup>th</sup>, 2018 (Evaluation Skate Day One)**

- Ice time runs from 10:30am-11:20am
- Please arrive to USA Hockey Arena around 9:45am
- At check in, we will be finalizing registration for each of you and we will provide your skater with a pull over jersey to use during the evaluation skate
- While your skaters are on the ice, they will participate in a series of drills that will allow the coaches to evaluate the skater over a few simple elements such as: skating, stick handling, passing, shooting, and so on.
- Please turn your pull over jersey into your coach at the end of the ice session

### **Sunday, September 9<sup>th</sup>, 2018 (Evaluation Skate Day Two and Draft)**

- Ice time runs from 10:00-10:50am
- Please arrive to USA Hockey Arena with enough time to get your skater checked in and dressed
- Today's Evaluation Skate will be similar to Saturday's skate however today we will add in a scrimmage
- Please turn your pull over jersey into your coach at the end of the ice session
- Families can leave after the evaluation skate. Look for an email on Monday, September 10<sup>th</sup>, with the results of the evaluation skate as well as details for the following weekend/season ahead
- Coaches will stay to participate in the draft immediately after their ice time

### **General Information:**

- The primary goal of the Evaluation Skate is to create a two day practice plan that will showcase each skaters strengths as well as their areas for improvement
- The primary goal of the Draft is to create two teams balanced in skill
- You will receive a practice schedule for the season from USA Hockey Arena on September 10<sup>th</sup> and a game schedule around September 27<sup>th</sup> (after the I275 League has met)
- Games will begin around Sunday, September 30<sup>th</sup> (could be home or away)
