Welcome Coaches New and Old!

Welcome to the first, hopefully, monthly coaching newsletter. My goal is to send something like this out on a semi regular basis. In saying that, please note that I am even less of a writer than I am a talker. For those of you that know me know I'm not a fan. I pledge to do my best.

If you ever have any questions or concerns about anything, please do not hesitate to contact me. You can find my email at the bottom of the page. Also if there is anything you would like to see in the newsletter or if you would like to contribute, feel free to reach out.

Your humble coaching director

Coaching selection

By now you have hopefully submitted your application to help coach for the upcoming season. If not please visit [the coaching requirements page](#) on our website to do so.

Now what, you ask. After the teams are picked, we will look at our candidates for head coaches and assign the head coaching positions. We will then give the head coaches the names of people that volunteered to help their team and let them pick their assistant coaches.
