

Monroe Youth Hockey Association

Confidential Financial Assistance Application

At MYHA, no child will be denied the opportunity to play hockey due to financial reasons. We strive to assist those families with children who have expressed interest in playing hockey and are in need of financial assistance. For those families receiving financial assistance, we will expect that in lieu of paying full hockey dues, they will offer support to our association by volunteering time to help the MYHA hockey program. These volunteer opportunities include, but are not limited to, concession stand worker shifts, rink cleaning and upkeep, and helping with MYHA fundraising events. The financial support you are able to commit to MYHA will also be taken into account in considering your application.

Please complete this application and return it to the MYHA dropbox. All information you provide will be held in strict confidence. You will receive a response as to the action taken on your application within 10 days.

Date of application: _____

Name: _____ Phone: _____

Address: _____

A. List all children and their level of hockey for which this application is being made.

1. _____ Level: _____ Fee: \$ _____
