

## MEDIA OPT-OUT FORM

This form is for parent(s)/guardian(s) who wish to designate that their player **SHOULD NOT** be in photos/video or articles published by Appleton West Youth Basketball Association ("AWYBA").

If this form is **NOT** completed during the **registration process**, AWYBA will assume that parent(s)/guardian(s) have given permission to publish their player's photo, video and/or name as specified below. This form will need to be completed each season.

## MEDIA RELEASE

Throughout the AWYBA season, photos and videos may be taken of players, AWYBA games, and AWYBA activities. These photos and recordings may appear in various AWYBA materials, including AWYBA website, social media, etc. Player names are usually not used in association with media, but when they are, only first names will be used except in situations where full names are standard. Most parents/guardians support and encourage this celebration of achievement, so by default, all parents/guardians who register their players are giving permission for this use.

Parents/guardians who wish to prohibit their player's image or images of the player's AWYBA games or AWYBA activities from appearing in any of the above venues must opt-out below.

*\*Please be aware that ensuring player privacy is not possible at public events where cameras are permitted. Other players, parents, community members, and new media may record/photograph/film at events and publicly share this information. By choosing to have their player participate in such games and activities, parents/guardians are agreeing to this condition. News media access to non-public locations and events, such as inside a practice, will follow established guidelines.*

- DO NOT Allow my player's image to be used on AWYBA websites, social media, etc. I understand that this does not provide a basis for opting out of the regularly scheduled AWYBA games or activities.
