

Welcome

2026 PEEWEE CLASSIC HOCKEY TOURNAMENT

Anoka Area Ice Arena | January 1-4, 2026

Dear Teams, Coaches, Families, and Fans,

On behalf of the Anoka Area Hockey Association, welcome to the **Pee wee Classic Tournament!** We're thrilled to host you, your teams, families, and fans for a great weekend of hockey here in Anoka.

This year's event features a wide range of Pee wee levels — **A, B1, B2, and C** — bringing together programs from across the region for a competitive and exciting weekend of hockey.

This tournament is built on three things we value deeply in our Pee wee program: **development, competitiveness, and sportsmanship.** Our goal is to create an environment where every athlete can compete hard and walk away with memories that last well beyond the final scoreboard.

Thank you to all participating teams, coaches, and managers for your commitment and for choosing to spend your weekend with us. We also extend our appreciation to our volunteers, officials, and supporters who make this event possible.

We hope you enjoy your time in Anoka—good luck to all teams, play hard, play fair, and have fun!

Thank you,

Cole Sianko
Anoka Area Hockey Association | Tournament Director

THE STATE OF HOCKEY

Minnesota has **more youth hockey players per capita** than any state in America.

There are **over 150 community-run associations**, making it the only state where hockey is primarily run locally rather than privately.

The Minnesota model — **community-based hockey within school boundaries** — is used nationwide as the gold standard for athlete development.

Minnesota is one of the few states where **high school hockey is bigger than junior hockey**.

More NHL players come from Minnesota **public high schools** than anywhere else in the U.S.

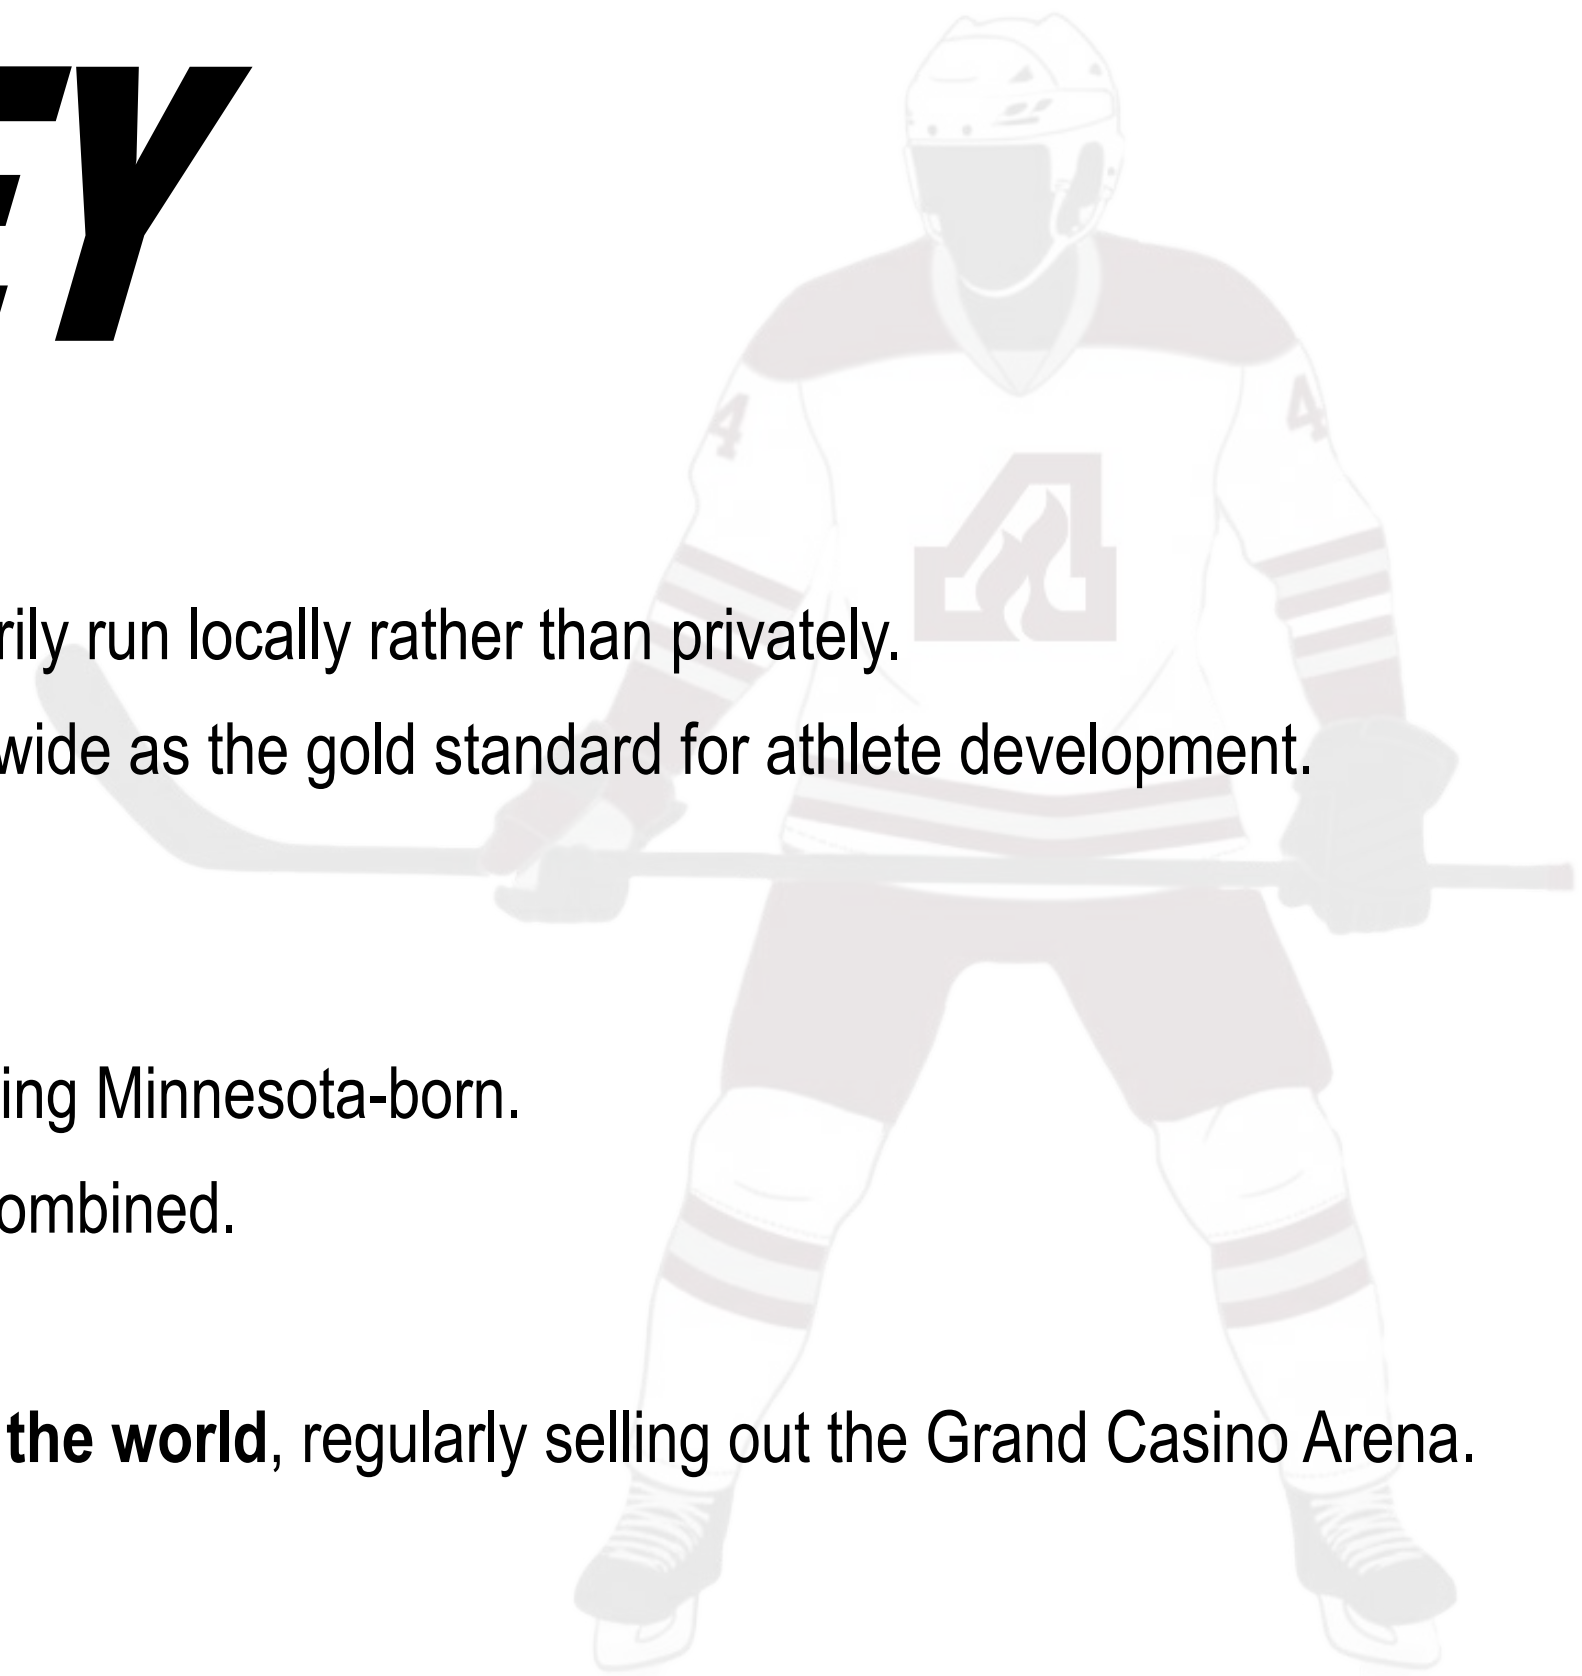

Minnesota's youth hockey pipeline helped fuel the **1980 Miracle on Ice**, with several Olympians being Minnesota-born.

Minnesota leads the nation in **girls' hockey participation** — often more than the next few states combined.

The **first-ever girls' state tournament** was played in Minnesota in 1994.

The Minnesota High School State Tournament is **the highest-attended amateur hockey event in the world**, regularly selling out the Grand Casino Arena.

There are more **outdoor hockey rinks** per capita in Minnesota than anywhere else in the country.

ANOKA CLASSIC PEEWEE TOURNAMENT

APPENDIX

Peewee A, B1, B2, C January 1-4, 2026 General Tournament Rules

See D10 "General Tournament Rules" for a full list of rules.

Appendix

Peewee A and B1 – 3 - 15 minute stop: (80 minutes of ice time required). 5 minute warm ups/All 3 periods are 15 minute stop time.

No timeouts allowed unless it is a trophy game (One 1-minute timeout per team is allowed in **trophy games**). Minor penalties are timed at 1:30 minutes. NO Resurfacing during the game.

- A five (5) goal lead any time during the third period will result in running time. A three (3) goal lead will need to be established before stop time will be resumed.

Peewee B2 and C – 3 - 13 minute stop: (65 minutes of ice time required). 3 minute warm ups/All 3 periods are 13 minute stop time. No timeouts allowed unless it is a trophy game (One 1-minute timeout per team is allowed in trophy games). Minor penalties are timed at 1:30 minutes. NO Resurfacing during the game.

- A five (5) goal lead any time during the third period will result in running time. A three (3) goal lead will need to be established before stop time will be resumed.

Tie Breakers (No Overtime in Round Robin or most bracket games (see below)(Trophy games see next section))

- If at the end of regulation play (bracket games) the score is tied, the following steps will be taken to determine a winner:
- There will be a 1 minute break, goalies will not change ends.
- There will be an immediate shootout. VISITING team shoots first, with each team alternating shots. Teams will then alternate through 3 skaters; the team leading after all three skaters shoot is the winner. Goalies may not leave the crease until the skater has touched the puck at center ice.
- If the score is still tied, the rotation is switched. The HOME team will shoot first and the shootout becomes sudden victory, the team in the lead after one skater from each team shoots is the winner. No skater will be allowed to shoot twice until their team has used all of their skaters. The one on one shootout will continue until a winner is determined.

Tie Breakers -Trophy Games (Championship/3rd Place/Consolation Champion games only)

- If at the end of regulation play the score is tied, the following steps will be taken to determine a winner:
- There will be a 1 minute break, goalies will not change ends.
- Teams will play 4 on 4 skaters with a goalie for a 5 minute running time, sudden victory overtime period. If a team ended the regular game play with a penalty that had not yet expired, that team will continue to serve the balance of the penalty at the start of the overtime period. That team would skate only 3 skaters until the penalty expired.
- If no score occurs, there will be a shootout. VISITING team shoots first, with each team alternating shots. Teams will then alternate through 3 skaters; the team leading after all three skaters shoot is the winner. Goalies may not leave the crease until the skater has touched the puck at center ice.
- If the score is still tied, the rotation is switched. The HOME team will shoot first and the shootout becomes sudden victory, the team in the lead after one skater from each team shoots is the winner. No skater will be allowed to shoot twice until their team has used all of their skaters. The one on one shootout will continue until a winner is determined.

NOTE: Subsequent tournament game starting times are subject to delay due to extended overtimes.

It's also not uncommon to run ahead of schedule and start games early. The Tournament Director will communicate that information with the managers and or coaches so everyone is on board. Most of the time the early starts are up to 15 mins early.

ALL DECISIONS MADE BY THE REFEREES AND TOURNAMENT OFFICIALS ARE FINAL.

District 10

Minnesota Hockey

General Tournament Rules

Referees

USA Hockey registered referees will be used.

Medical Personnel

A Certified Athletic Trainer, Emergency Medical Technician (EMT), paramedic or medical or osteopathic physician shall be in attendance at all games. This group shall include a licensed health care professional (such as a Registered Nurse) or other person who has successfully completed and maintained certification for programs conducted by the Red Cross or the American Heart Association for all of the following:

1. Advanced First Aid
2. Cardiopulmonary Resuscitation (CPR)
3. Basic Life Support
4. Qualified First Responder

USA Hockey / Minnesota Hockey / District 10 Rules

- All games will be played according to the USA Hockey rules as modified by MN Hockey for all the classifications involved.
- ALL minor officials must be at least 18 years of age to be in the timekeeper/scorekeeper/penalty box area

Neck Laceration protectors are required. (New for 2024 season)

- Canadian teams must wear protective gear as designated by CAHA.
- All players must wear HECC or CAHA approved helmets, face-masks and have mouth guards with appropriate chin straps in place.
- Goalies must wear approved goalie gear.

Release of Liability

- The tournament, its officials, arena facilities, and all personnel connected with the tournament shall not be held liable or responsible for any injuries, losses, or damages that may be suffered by a player, coach, manager, or spectator during the tournament. Participation in the tournament will constitute acceptance of these terms.

Injuries

Concussions - Minnesota Statute 121A.37 requires the following:

1. MH must make concussion information accessible to all coaches, officials, players and parents/guardians, including the effects and risks of continuing to play after receiving a concussion. This includes the nature and risks of concussions associated with athletic activity, concussion symptoms, the need for urgent diagnosis and treatment when a player is suspected or observed to have received a concussion, and the need for concussed players to follow proper medical direction before returning to play. All coaches and officials must receive initial training regarding concussions and participate in refresher training at least once every three calendar years thereafter.
2. Coaches, officials and/or medical attendants shall and are authorized to remove a player from participating if the player exhibits concussion signs, symptoms or behaviors, or is suspected of sustaining a concussion. A player removed from participation for this reason may not again participate until they no longer exhibit concussion signs, symptoms or behaviors and a "health care provider" evaluates the player and gives the player written permission to again participate. "Health care provider" means a health care professional who is registered, licensed, certified or otherwise statutorily authorized by the state to provide medical treatment, trained and experienced in evaluating and managing pediatric concussions.

If an EMT is required to go on the ice to attend an injury, the clock will be stopped. In the event of an extended injury, tournament officials reserve the right to shorten the following periods to a minimum 10 minutes. Overtime, if necessary, will be played normally. Subsequent game starting times are subject to delay due to extended injuries.

Age and Gender

Age brackets used will be Minnesota District age brackets. Please note that these may differ from USA Hockey and CAHA age brackets.

All rules described herein will apply equally to boys and girls.

Round Robin Pool Play

If two or more teams have an equal number of points, their position in the standings shall be determined by:

- The results of the games played between the **TIED** teams in the following order.
- The points acquired in these games.
- Subtracting goals scored against from goals scored in these games. Their position shall be in order of the greatest surplus.
- Dividing the goals scored in these games by the goals against. The position being determined in order of the greatest quotient.
- If after applying the above formulas a tie still exists, the same formulas shall be applied to all games played by each team.
- If after applying both formulas a tie still exists, the team with the fewest penalty minutes in all games shall advance.
- If after applying all the above rules a tie still exists, a coin toss by the tournament director shall determine the winner.

Game Rules

Player Protests

- Any protest of an individual player must take place before the start of the game and be presented to the tournament committee for a ruling. The tournament committee has the final word on all disputes.

Penalties

- Penalties will be assessed according to USA Hockey rulebook.

Exit from Ice Rule

- At the resurfacing break or following the game and the handshake, the teams will return to the players' bench and allow the team closest to the exit gate to exit the ice first. The remaining team will exit the ice when the referees have instructed them to do so.

Early Termination of Games

- The tournament officials reserve the right to terminate any game at any time after consulting with the referees. A verbal warning will be given to both benches before a game is terminated. In the event a game is terminated, the winner will be determined by:
- If one team complies with the warning and the other does not, the team complying will be declared the winner.
- If neither team complies with the warning, the score will determine the winner. If the score is tied, a coin flip will determine the winner. The home team will call the coin toss.

Excessive Lead Rule

- A five (5) goal lead any time during the third period will result in running time. A three (3) goal lead will need to be established before stop time will be resumed.
- The clock will be stopped if the referee enters the scorekeepers circle and started on the drop of the puck in the case of an injury or penalty.

Tie Breakers (No Overtime in Round Robin)

If at the end of regulation play the score is tied, the following steps will be taken to determine a winner:

- There will be a 1 minute break, goalies will not change ends.
- Teams will play 4 on 4 with a goalie for a 5 minute running time, sudden victory overtime period. If a team ended the regular game play with a penalty that had not yet expired, that team will continue to serve the balance of the penalty at the start of the overtime period. That team would skate only 3 skaters until the penalty expired.
- If no score occurs, there will be a shootout. **VISITING** team shoots first, with each team alternating shots. Teams will then alternate through 3 skaters; the team leading after all three skaters shoot is the winner. Goalies may not leave the crease until the skater has touched the puck at center ice.
- If the score is still tied, the rotation is switched. The **HOME** team will shoot first and the shootout becomes sudden victory, with the team in the lead after one skater from each team shoots as the winner. No skater will be allowed to shoot twice until their team has used all of their skaters. The one on one shootout will continue until a winner is determined.

NOTE: Subsequent tournament game starting times are subject to delay due to extended overtimes.

ALL DECISIONS MADE BY THE REFEREES AND TOURNAMENT OFFICIALS ARE FINAL.

Roster, Coach and Player Rules

Check In

- Team check in shall occur at least 30 minutes before their first game. All teams must be prepared to present their team credentials package including:
 - USA Hockey Registration (Team Membership Application).
 - USA Hockey Official Player roster, bearing the signatures of all players, coaches, and managers; and displaying the stamp of the respective Minnesota Hockey District Director.
 - Approval letter from the Minnesota District Registrar for any player that is playing in a younger age group than is implicit based on the player's birth date.
- All team and players information required by Minnesota Hockey registration will be reviewed when the team is registered in the tournament. This team and player information must be in possession of the team during the entire tournament, in case of a challenge.

Personnel

- Only certified coaches are allowed on the bench. Maximum of 4
- Coaches will be required to show their Coaching Education Program (CEP) cards.
- The Head Coach for each team will sign the official game scorebook before the start of the game.
- Each team must have this information readily available for inspection during tournament play.
- Twenty players may be rostered and suited up per team, for each game. Not more than 4 coaches will be allowed in the player's box at any time. All players on the bench, including players not dressed to play in the game, must wear a helmet, face-mask, and a team jersey.

Uniform Colors

The **HOME** team will wear white jerseys. The top or first team listed in your pairing is the home team.

Timing Formats (one of these should be included in your rules and/or appendix)

1. 2. 3 – 13 minute stop: (70 minutes of ice time required) 3 minute warm ups/All 3 periods are 13 minute stop. One (1) time out per team is allowed. Minor penalties are timed at 1:30 minute. Exception: 2:00 minute minor penalties will be enforced for bantam and girls 15u levels. NO Resurfacing during the game.

3 – 15 minute stop: (90 minutes of ice time required) 5 minute warm ups/All 3 periods are 15 minute stop. One (1) time out per team is allowed. Minor penalties are timed at 1:30 minute. Exception: 2:00 minute minor penalties will be enforced for bantam and girls 15u levels No resurfacing during the game or every two period resurfacing can be used. Games will start on old ice in the every two period format.

Appendix:

Appendix is subject to approval by the District 10 Invitational tournament coordinator and MNH.
