

Badgers & Lady Badgers

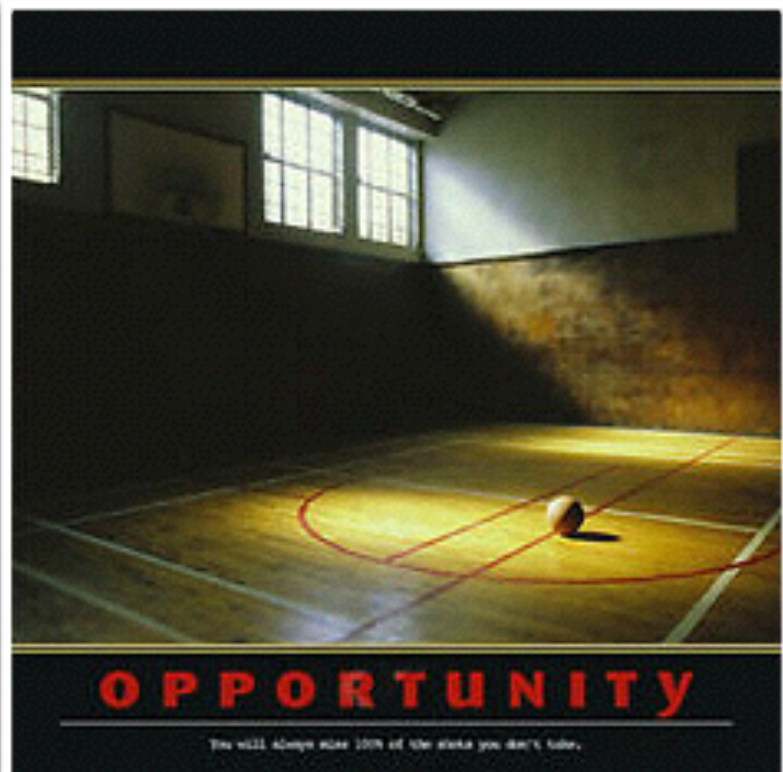

Our Select Program, which consists of Grade 3rd-8th boys and girls, exposes and offers kids a higher level of competition while developing fundamental and competitive basketball skills. Player development is stressed with an emphasis on disciplined and team-oriented play. All players are also offered a Skills Night through our BBA Skills Curriculum for individual skill training and advanced training that is provided to enhance the skills of each player with the goal and vision of having players ready to play at the Jr High and High School Level. Players at this level are given the opportunity to play in an organized league along with selected tournaments throughout the year. This program also hosts our very own Bennington Badger Shootout Tournament.

Mini Badgers

The K-3 Mini Badger League is a recreational-based program designed to introduce the game of basketball for participants in Kindergarten through Third grade. The program focuses on teaching and developing basic fundamental skills, having fun while learning the values of being part of a team and displaying good sportsmanship. Fall session will consist of 4 weeks of skills and developmental drills. Once the fall session is complete, the BBA will organize a draft for team selection for the winter league, which will consist of 6 consecutive weeks of games. These teams are organized with volunteer coaches, hired instructional referees, with all games being played at the Bennington Middle School.
