EDINA BASEBALL

ASSOCIATION

ABOUT SPONSORSHIP

LETTER FROM THE PRESIDENT

As a sponsor of the Edina Baseball Association, you help us achieve our goal of providing a positive baseball experience for players through the development of baseball skills, teamwork and sportsmanship. The generosity of our sponsors allows us to provide a wide range of affordable baseball programs from pre-K to high school. Your support is integral to growing the game of baseball in the community while promoting a greater love and appreciation of the sport.

We value our league and team sponsors and are dedicated to ensure that they are recognized for their generous donations and support. Your sponsorship gives your business exposure to 850 EBA families, hundreds of Edina Classic tournament attendees from across the state, and greater visibility in the Edina community. We invite you to explore the many sponsorship opportunities that are available for the upcoming baseball season. On behalf of our players, families, coaches, and volunteers, thank you for your past and future support of Edina baseball.

Shawn Travis
President, Edina Baseball Association
