1. Old Business- Sept Ice- *waiting to have state test and locating a cooling tower*
Wadena Coop- still looking at cooping a B or B2 team. Wadena would provide 3-5 skaters and possibly a goalie
Board Survey- interesting that there are still so many comments about ADM . Discussed better education for the members

2. Coaches *Still needing approval: Bantam- Patrick LeClair*
12u- Matt Larson
PW- A head- Ryan Polzien,
Other coaches: Greg Buckmeier, Cody Dornbush,
Ryan Tungseth

Squirt- Nathan Kuhn,
Drew Luhning- help with goalies and practices

3. Practice Schedule- *Discussed with Pam*

October Clinics- looking at Bantam in the morning 6:30-7:30
Recommended to run a skating clinic for 2 of the sessions hiring Leigh or Heather for the SQ and PW

Goalie Clinics- Possibly 1 session on Mondays with all goalies using full ice
We should have 4-5 goalie coaches

Morning skills- Checking to see if anyone is interested in running it

4. Pro Hybrid Goalie Camp:

ProHybrid 2 Day Focus Camp Proposal

- 2 ProHybrid Instructors will come up to Fergus Falls to run a ProHybrid Focus Camp.
- Grouping
 - Option #1: One Group (if 24 goalies or less) we could run 1 group with all the goalies on ice and go to 90 min ice times. Each goalie would get 3 hours of ice and 2 hours of off ice with both ProHybrid instructors on ice at the same time.

- Option #2: Two Groups (if 25 or more goalies) with 12-15 Goalies per group.
- The benefit of 1 group would be more ice time and having both ProHybrid Instructors on ice / off ice at the same time. We could split the groups on ice in order to make sure each age gets exactly what they need.
- Ideal Dates: Choose one
 - Oct 13-14
 - Oct 20-21
 - Oct 27-28
- Camp Schedule
 - Option #1: One Group:
 - 800 am: Accountability Meeting
 - 805 am: Dynamic Warm Up
 - 830-1000 am: All Goalies On Ice
 - 1015-1115 am: All Goalies Off Ice
 - 1130-1200 pm: Lunch
 - 1215-1245 pm: Seminar
 - 115-245 pm: On Ice Younger Group + Off Ice Older Group
 - 300-400 pm: On Ice Older Group + On Ice Younger Group
 - 415 pm: Accountability Meeting
 - Option #2: Two Groups:
 - 800 am: Accountability Meeting
 - 805 am: Dynamic Warm Up
 - 830-930 am: On Ice Younger Group + Off Ice Older Group
 - 945-1045 am: On Ice Older Group + On Ice Younger Group
 - 1100-1145 am: Lunch
 - 1200-1230 pm: Seminar
 - 100-200 pm: On Ice Younger Group + Off Ice Older Group
 - 215-315 pm: On Ice Older Group + On Ice Younger Group
 - 330 pm: Accountability Meeting
- Cost:
 - \$2400 to ProHybrid + Hotel Friday Night and Saturday Night + Ice cost
 - The total is based on discounting our regular 2 Day Camp rate from \$295 per goalie to \$200 per goalie.
 - Based on the model of 24 goalies...Fergus goalies could pay \$100 per goalie and the association can subsidize the remaining \$100 per goalie to cover ice and hotel expenses.

Will bring it to the board for approval. Good opportunity for goalies and if we can get some goalies from the surrounding communities it will help.

5. Other Items

Hey Mike, as of right now we will have 2 squirt teams.

I was wondering if you guys wanted to do a couple mixed squad games on either Nov 10/11 wknd...or Nov 17/18wknd?

My ideal format for the mixed scrimmage would be:

1. Make 2, 3 or 4 mixed skill teams. Play a mini tourney format with 3 games a team. Games would be 2 halves or 3 short periods. Maybe 30 mins max. Could be 3v3 or 4v4 or even cross ice hockey.

We would host at Angels Arena and have a potluck or something for the teams.

Let me know if this interests you.

Thanks!

Will email Mike Welde to see if they would be interested in coming to our rink Oct 27 or 28 instead. Could possibly use it as an evaluation for our squirts.
