- **Where does the money go?**

The money from our ad will go to support the Saint Joseph's Prep Ice Hockey program. The ice hockey teams receive only modest funding from the School and are primarily supported by the players and their parents through dues, donations and fundraising activities such as this Yearbook.

- **Where will the book be distributed?**

The Yearbook will be distributed at the hockey banquet, school open houses and recruiting events, prep ice hockey web site and to all players and advertisers. We also present copies to SJP School Administration officials.

- **How many books will be printed?**

We will print a 80-100 books and may provide an electronic version.

- **What size will the books be and what size ads are available?**

The books will be approximately 8 ½" x 11". Please see the order form for ad sizes and prices.

- **In what format should my ad be?**

We can take your ad as a common digital file (GIF, PDF, jpeg). For Corporate sponsors business cards are most commonly used. If you don't have an actual ad, e-mail your copy to the e-mail listed on the previous page or mail to Anita Newby. We have difficulty with poor quality ads such as newspaper ads or the result of too many times being photocopied. If you have questions, please contact any of the following:

**Anita Newby - ryem@comcast.net**

- **What else will be in the Yearbook?**

The Yearbook will contain pictures of the players and other Hockey information. The Yearbook is an annual tradition full of memories of the season.
