Coach Bo Wasurick	Angie Baker
Angela Levercom	Sally Lombard
Cindy Redmann	

Meeting called to order at 6:30pm

Secretary's Report

Motion to Approve July Meeting Minutes by Tom Heidemann, 2nd by Sue Weber.
Motion approved.

Treasurer's Report

Checking balance - \$27,242.03
Scholarship fund - \$1,443.47

Updated budget, which included Coach Wasurick's wish list. He has adjusted this list to bring down expenses.

Our projected income comes from community clean up, A cards, sponsorships and summer camp. At this time we're about \$16,000 short, but we do have our surplus from last year. We were short on community clean up and summer camp. There is still time for more sponsorships to come in and A card sales will start soon.

Dawn Heidemann spoke about new policy regarding invoices. They need to be sent to Deb Day when things are ordered or the Booster Club will not be paying them.

Motion to approve Treasurer's report by Tom Heidemann, 2nd by Karin Brunn.
Motion approved.

Old Business

A Cards-Sales start August 5th and money will be collected on August 19th. There was discussion on what incentives could be offered to the players for selling their cards. Coach Wasurick would like a clothing package, so we discussed options on making that happen. Dawn was going to go back to Coach Wasurick on our thoughts.

We have budgeted \$4,000 in income from our clothing store. If a clothing package is offered as an incentive for the A card sales we should be prepared to have that number come in low.

New Business

We will need to collect \$65 from Varsity and JV players for the spaghetti dinners.

Meet the Tornadoes on August 16th. Following pictures, the team will practice at Goodrich and then we will have a community BBQ. Following the meal the team will run through a practice for the community to watch.

Tax Return

Motion to approve tax return by Sue Weber, 2nd by Brian Wilson.

Motion Approved.

Coaches Report

Attendance for Force and summer camps was good. Things ran smoothly and they got a lot accomplished. We don't have final registration numbers for the various grades yet. Youth camp was very successful as well.

Open Forum

Brian Wilson asked about whether we can get more funds for coaching from the district.

Motion to Adjourn by Sue Weber, 2nd by Sandy Laidlaw.

Motion approved.
