Executive's Message

We welcome all parents and players to another exciting summer season. The season will commence June 1st and will finish in September with playoffs. We have been serving the community for the past 20 years. Our goal is to promote the game of soccer and try to keep these young players off the streets and from being in front of a television set.

All players with average abilities will be given a chance to participate in our Development Program that is put together by the Technical Director.

House League Tournament
The Weston Soccer Club will try again to host a House League Tournament, date to be announced later. There will be a small fee of \$10.00 per player for this tournament. This fee will be collected before the tournament.
