

## Upcoming Training and Evaluatons

The current environment still does not allow NHT to hold tryouts for 1,000 players as we typically have each August. With that said, we are continuing with the model developed for the boys youth summer and using that model for fall training and for 2020-2021 elite team placement for both youth and high school.

### Here are the details:

All players who would like to play on an NHT elite team in upcoming 2020-2021 year need to register at the link below:

In place of tryouts, NH Tomahawks is offering 5 (1.5 hr) training sessions. The training sessions will also be used as evaluation for elite team placement. (players can choose the seasons, ala carte, they want to play—It is not required to play all seasons). Players may also opt to due fall training only.

### Elite Team Evaluation Options:

BOYS YOUTH: Fall '20 & Spring '21

GIRLS YOUTH: Fall '20, Spring '21, Summer '21

BOYS & GIRLS HIGH SCHOOL: Fall '20 & Summer '21 (grad 2021 would be fall '20 only)

All new players need to participate in the fall training to be placed on a team. Please note that all roster spots re-open starting with the fall season.

Players from summer elite 2020, may elect to use their end of summer evaluation for team placement if unable to attend the training sessions, (select this option during registration)

### Training & Evaluation for Team Placement

5 (1.5 hour) Training Sessions starting with small group skills and building up to team concepts and scrimmages. \$165

5 of these 6 dates: 8/29, 8/30, 9/12, 9/13, 9/19, 9/20 (1.5 hour time slot between 2-8pm)

### **For Planning Purposes:**

Fall Team Practices/Tournaments For those who opt in, players will be selected to add the optional additional team training & tournament package in September after evaluations are completed and once the tournament landscape is better defined. (there is currently some uncertainty with dates, dead periods and travel)

The optional tournament package will include 4 team practices and 3-4 tournaments. Fall elite team practices will be 4 of these 7 dates: 9/26, 9/27, 10/3, 10/4, 10/18, 10/24, 10/25. Tournaments will be in October and early November.
