CHSAA GOLF LEAGUE RULES AND REGULATIONS

1. The league will be divided into three divisions:

Division 1-Queens, Brooklyn

Division 2-Brooklyn, Staten Island

Division 3-Bronx, Westchester

2. Schools in each division will play each other twice. Division 1 will have a 8 game season. Division 2 will have a 8 game season and Division 3 will have a 12 game season. Play-offs will be seeded by winning percentage and ties will be decided by individual win/loss percentage.

3. PLAY-OFFS:

Play-offs: At the 2007 pre-season meeting, it was voted upon for the following procedure for play-offs; 3 division winners and best winning percentage team get 1st round. Teams will then be lined up by winning percentages.

4. Each year, we will select 16 to 20 players to represent the league in the Catholic High School State Championships. These players will be selected by final season average with a min. of 10 out of 12 games (Div 1), 8 out of 10 games (Div 2), and 8 out of 12 games (Div 3) played during the season. The Championship Tournament is usually held in up-state New York. All three

Catholic High School Leagues (New York City, Long Island, and Buffalo) compete in this tournament. Players will be alerted to qualifications by their coach who will be notified by the Chairperson.

5. The league will present the “Brother Kieran Brennan Memorial” award to the golfer with the **LOWEST GROSS AVERAGE** for the season. To qualify for this award, the athlete must play in 80% of the matches and play in at least two of the last three scheduled matches.

6. Team rosters will be limited to 9 active golfers; however, additional golfers may be added to replace injured or dropped players.

7. Coaches have the right to change their playing order at any time, but have a MORAL OBLIGATION to insert their best players in their proper positions in all matches. Coaches violating this rule will be subject to having a protest lodged against them. If a protest is lodged on a line-up violation, the protest goes to the Golf Chairman for statistical evaluation. If the protest is approved, both coaches are contacted and the Chairman (plus one additional coach) will submit the penalty: 1st time- warning; 2nd time- loss of match.

8. Players shall be listed by their coach prior to each match in the order of their playing ability. The players listed as the #1 and #2 men will play in the first foursome. The #5 men and their coaches will form the second foursome, so that the coaches can be available to settle disputes. The #3 and #4 men form the third foursome. If the #6 and #7 men are present, they will play in the final foursome, however, their scores will not count in the match. Moral obligation is strictly up-held. On the day of a match, players must be positioned #1 thru #7. If a player is absent: a. – position can be frozen until he arrives but he loses missed holed and starts at first hole arrived at and scored will not count; b. – position is forfeit, coach may sub a lower player but no match is played, only score counts.

Repeated absence is a potential protest situation evaluated by the Chairman.

9. Each coach will be responsible for sending their team roster to the golf chairman within the first week of play.

10. Teams are expected to have five golfers present for each match. However, if because of some unforeseen incident they should be under the limit, the match will proceed as scheduled. If one or more golfers are absent the number of the man or men absent will forfeit. For example: #1 Team A is absent- Team B wins be forfeit.

11. All league matches will be nine holes, based in match play.

12. All matches are to be played to completion. In case of a tie at the end of regulation match play – **SUDDEN DEATH**. If there is a protest, the match must be completed and a written report must be filed with the League Champion within 48 hours.

***SUDDEN DEATH** – will be played from 1st hole on, unless the golf course either will not allow it or the course is too crowded. If there is a problem, the 10th hole is to be used. Only #5 player... may choose a caddie to continue with him. All other players can only use his assigned partner.

12. AMENDED Home team coach will stay with players at the end of match (last hole/club house). Visiting team coach can supervise tied match for rules support only and must be requested by both players (*See rules #15 and #26).

A two hole limit has been set for tied matches that are not for team win/loss result.

13. Spectators are not allowed to follow a match. A spectator is defined as: a parent, teacher, friend, schoolmate, and team-mate. The only person permitted to watch a match is: a golf coach (*one per team on the date of a match), newspaper reporter, and school administrator. Players must call attention to spectator immediately. Player must request that the spectator leave or player loses the hole. All plays stop during this situation. If the school is sending a photographer for the school newspaper or yearbook, all photos must be taken by the 4th hole.

14. U.S.G.A. rules will govern play.

Local rules explained by the HOME COACH will dictate play; if no rules are stated:

* a. Ball may be clubbed in your own fairway (see amended rule #30)

b. In traps, play ball as it lies or smooth out trap and replace ball in exact spot.

15. No player may, while in active competition, receive and advice from any person other than their team-mate playing in the some foursome. The coach is allowed to give advice to his playing partner only. If there is a mutual agreement between the coaches, coaches can play with either player #3, #4, or #5, but they must remain with that player for the duration of the match (coach's responsibility).

16. Coaches are expected to instruct their teams in golf etiquette and the rules of golf as they appear in the USGA Rule Book. This book will be the basis of settling all disputes. All coaches are to have a copy with them during all matches.

Since golf is a gentleman's game, coaches should insist upon proper decorous behavior of each of their players.

Coaches are responsible for maintaining amicable relations with opponents.

17. The Championship Match will be an 18 hole match unless otherwise stated by Golf Chairman and mutual agreement of coaches.

18. A mandatory pre-season meeting will be held at least two weeks before the start of the golf season. Schools failing to send a representative to this meeting will be fined \$50.00 by the CHSAA.

19. One player from each foursome (HOMETEAM) shall be designated as scorekeeper and must turn in an attested scorecard to the coach of the home team and Winning Team for each match.

20. The WINNING TEAM Coach must mail in the results of each match to the League Chairman within 24 hours, filling in all information on the match result sheet from the official attested scorecards. If results are not received within 48 hours a \$25 penalty will be incurred by the WINNING Team school. Email wniklaus@molloyhs.org

21. The Home Team shall have the HONOR on the first tee.

22. All Matches are scheduled for 3:30PM or earlier if possible. * Course management will dictate the time.

23. Rainouts must be made up as they take place and on the first rain date.

*A weather cancellation must be made by the HOME TEAM by 1:00PM on the day of the match.

24. Matches are to be played as per the official. NO mutual switching of dates.

*If a coach has the ability to up-grade the golf course that is available, permission is granted to home team. League Chairman must be informed of all changes.

25. RAIN DATES: Tuesday for Monday

Thursday for Wednesday

*Replay is ASAP

26. If there is a dispute over ball position, players within the foursome are to confer with their opponent not with their teammate partner only.

27. Winning team is responsible for calling in match scores to Newspapers.

28. DIVISIONAL TITLES: AMENDED (2003 Pre-season Meeting and 2004) Ties within the division will be decided by divisional record (NOT INCLUDING CROSSOVER MATCHES if season has crossovers) verses team with same record. If both teams are 1-1 against each other, the individual match results will be used as a tie-breaker. If the individual records are tied, then a play-off will be required.

28. A. TIE RECORDS:

All tie records will be evaluated by the following format:

a. First by "in-season" match results (head to head play results)

b. Second by match play win/loss record (a tie is worth ½ a win).

If a tie still exists, then a tie-breaker game must be played (this game must be played at first available date arranged by the chairman).

29. All coaches are responsible to know and enforce CHSAA Code of Behavior. This Code is posted at the end of our League Booklet.

*30. RULE 14 AMENDED: As decided (Pre-season meeting 2004), the HOME COACH will have the right to call; lift clean place within one club length within tree line. This can be allowed thru season, but not in play-offs. All play-off games, championship, and tournaments are play as it lies. This rule was agreed upon based on conditions of course NOT for advantage.

31. Distance finders/GPS are permitted in CHSAA Golf League Play.

32. During the playoffs, if two (2) coaches from the same school attend the match they must stay together at all times. Rule was determined at League Meeting 2019.

33. NEW RULING: year 2020-21, due to COVID, there are COVID Guidelines that MUST be followed. The guidelines are attached this GOLF LEAGUE BOOKLET 2021.

Code of Conduct

It is the purpose of the Brooklyn/Queens Catholic High School Athletic Association to promote the highest standard of fair play and sportsmanship. Keeping in mind the Christian beliefs of all our schools and promoting this belief through the behavior of our student athletes, coaches, and spectators that is above criticism. We will adhere to the Code of conduct as put forth by the by-laws of each sport.

The success of this purpose is directly related to the coaches' sense of responsibility, diligence in supervision, and effectiveness in enforcement.

The CHSAA has its goal to "Offer the boys and girls who attend the member schools an education of quality in a true Catholic tradition of academic excellence and moral qualities." Consistent with this mission is the stated purpose of the CHSAA program, namely, "To provide the best athletic competition possible without sacrificing our academic integrity and moral character."

Further, it is the CHSAA's intent to amplify the student athlete's educational experience by providing opportunities for physical vigor, leadership, and individual discipline, all of which are benefits of a well run athletic program.

Coaches

Individuals employed by or representing or associated with a member school to administer, conduct, or coach interscholastic athletics shall display themselves with integrity and sportsmanship at all times so that the CHSAA athletics' as a whole, their schools, and they, as individuals, represent the honor and dignity of fair play and the high standards associated with amateur competitive sports.

The Athletes

The conduct of an athlete is closely observed in many areas of society. Your behavior mirrors the educational institution you represent. Your behavior reflects that tradition and the standards of the athletic program. As an athlete you are expected to conduct yourself in accordance with the responsibilities and obligations listed below:

1. Treat the opponents with the respect that is due them.
2. Shake hands with opponents and wish them luck before the contest and congratulate them after the contest.
3. Exercise self discipline at all times; accept officials' decisions and abide by them.
4. Accept both victory and defeat with pride and compassion; be neither boastful nor bitter.
5. Accept seriously the responsibility and privilege of representing the school and community.
