

# 2025 BSM Girls Golf

Coaches: Mike Johnston and Annie Smith

Season begins March 17th (Locations TBD)

- March 17-20: Practice to help kick some rust off for all those trying out
- March 24-27: Tryouts and evaluations

Practice home base is Braemar G.C.

- Practices are Monday thru Thursday, starting at 3pm.
- Depending on the day, we will have practice at a range or play 9 holes.
- We also will have opportunities to travel and play other courses in the area

Our first match is April 10th

- Matches take place both during and after school

Developmental golf begins in the middle of April

- 7th and 8th graders are allowed to sign up without trying out
- 9th graders need to try-out but can be invited to join the Developmental team if there are spots available.

If you haven't already done so, make sure that you have registered with the Athletic Office

As both your coaches are teachers, school and grades come first! Make sure that you are in good standing in all of your classes.

- Get this taken care of before the season starts so it isn't a problem later!

All questions should be directed to Coach Johnston at [mjohnston@bsmschool.org](mailto:mjohnston@bsmschool.org)
