

March 5th, 2020

Board Members: Tom Hamill, Mike Zekas, Paul Broody, Jen Yuhas, TJ Bruno present. Also present is Christina Miller.

Call to Order: 705p

President's Report:

NEFYSL:

Referee Payment scheduled established:

U10 – Unlicensed \$15, licensed \$20

U12 – unlicensed \$20, licensed \$25

U14 – unlicensed center \$25, Assistant Referee (AR) \$20, licensed \$30/\$25

Single referee \$45

Pay based on field size: If U14 & up play 7v7, it will be U12 rates.

U18 – same as U14

Roster Age Split – The league is encouraging that teams consist of equal number of ages, i.e. U10 would have equal number of 8 and 9 year olds. It's understandable that not all towns will be able to accommodate this ratio, so a 70/30 is allowed pending approval from the league.

Travel Players

To be voted on at the next NEFYSL meeting. Carded players will have to play up a division. In Fall '20 – U9 division returns and will have a travel component, along with U10 as well.

Annual General Meeting – EPYSA

Coaches (and parents) are reminded to not yell at referees.

They would love to see a World Cup site in Philadelphia.

Soccer registrations moving from Sports Engine to GotSoccer. Fees going up on new website, but should stay the same if our existing structure can be transferred.

Introductions:

Christina Miller is present and offering her time and assistance to KYSA. Potential tasks currently available are referee coordinator, assist with sponsor management, risk management.

Field Maintenance Director's Report

Paul Keating – getting new mower for fields

Potential showcase in June

Edwardsville – Hopkins unaware KYSA was still using, but is available.

New field at 3rd avenue are too small for U12 and up. U10? Plan is to utilize these fields for younger divisions as 3rd Avenue park is more family oriented with playground and picnic tables.

Referee Assignor's Report

Clarified the process when dealing with substandard referees or if coach has issue with referee decision. The commissioner, president, and games commissioner of league should all be notified. Issues cannot wait until next meeting. Ensure coaches and referees are reading rules and regulations as well as code of conduct.

Registrar's Report

Teams from outside towns: sign up under lightning or will town be responsible for issues that arise?

Needs clarity in terms of creating teams in system. Current website design restricts registration of players if already in system elsewhere.

Sponsor Coordinator's Report

38 sponsors and counting...

U8 & Down Commissioner's Report

Lots of U4 signed up, but not coaches. Board willing to assist and train.

Travel Coordinator's Report

Charlie using field on March 28th, offering to help line fields. Additional dates are needed and be pre-approved by the Board.

Old Business/New Business

Coaches meeting scheduled for March 25th at 6pm

No Treasurer's report; Balance update:

Pending Charges:

SportsNgin \$826.80

Rackspace \$24

Balance: \$21,651.42

Adjournment
