

# Region 2 Super Weekend

## Bid Process

The purpose of this document is to help provide as much information as possible for any club that may be interested in being the host of the Region 2 Super Weekend. Please know that this document may not include all there is to know about hosting the event, but is designed to stimulate further discussion between the Regional Chairman and interested Host Clubs.

### Important Logistical things to know

- This is the **OFFICIAL** Region 2 Congress for the Men's Program.
- The purpose of the Super Weekend will be to provide Coaches, Judges and Athletes with an opportunity to come together as one and create more unity within the region.
- The following areas will be covered during the weekend:

Regional Future Stars Competition	Region 2 Clinic/Congress
Future Stars Camp	Regional Judges Clinics
- The dates for the Super Weekend are typically the 1<sup>st</sup> weekend in October.
- This weekend can be flexible depending on the weekend of the National Future Stars/Coaches Workshop held in Colorado Springs. The National FS/CW is typically the 1<sup>st</sup> weekend in November and we want to have 4 weeks between the Regional FS competition and the National FS competition.
- The 2021 National Future Stars/Coaches Workshop is scheduled to be held on November 17<sup>th</sup> – 21<sup>st</sup>.
- This means that the dates for the 2013 Region 2 Super Weekend can be either October 8<sup>th</sup> -10<sup>th</sup> or 15<sup>th</sup> – 17<sup>th</sup>.
- Following is a basic outline for the weekend. This can be adjusted if necessary, but due to the nature of the camp and the athletes that qualify for the camp, the Future Stars Competition **MUST** be held prior to the start of the Regional Camp:

### Friday

8:00 am – 1:00 pm	Region 2 Future Stars Competition
1:00 pm – 2:00 pm	Lunch Break
2:00 pm – 6:50 pm	<b>Presentations</b>
7:00 pm – 7:30 pm	Coaches Regional Camp Technical Meeting

### Saturday

9:00 am – 12:00 noon	Future Stars Camp
9:00 am – 11:00 am	<b>Presentation</b>
12:00 pm – 1:00 pm	Lunch Break for campers
1:00 pm – 4:00 pm	Future Stars Camp
4:00 pm – 5:30 pm	Dinner Break
5:30 pm – 7:20 pm	<b>Presentation</b>

### Sunday

9:00 am – 12:00 noon	Future Stars Camp
1:00 pm – 2:50 pm	<b>Presentation</b>

## Important Facility and Equipment Requirements

**Facility Use** - Since the Regional Future Stars Competition is held on Friday and it is a competition, it is recommended that there are no other activities going on in the facility at the same time unless the competition is being held in a completely separate area from the rest of the facility or the facility is large enough to have separation between the FS competition and any other activities, classes, etc.

**FS Sessions** - In past years there have been 2 sessions of FS competition and there has been 1 session of competition. The number of session is dependent upon the number and ages of the athletes that are registered for the competition. It is also dependent on the number of available judges.

**Equipment** - The host club must be able to provide all of the equipment necessary to run the FS competition. In addition to the 6 Olympic events the host club must also have the following: trampoline, pommel horse w/o pommels, proper vaulting mats for round-off entry vaults, strap bar (different from regular high bar), pit system (not required, but it is very helpful).

**Other Equipment** – the host club must be able to provide judging tables and chairs. This number is dependent upon the number of rotations which is not known until the number of sessions and number of athletes that are registered. The host club will also need to provide 1 banquet style table with chair and electrical access for the Regional Chairmen to run the FS event.

**Meeting Room(s)** – some presentations are held out in the gym on the equipment while some or more classroom style presentations. Classroom style presentations can still be held in the gym, but sometimes it is nice to have access to a room for the presentations. One reason for this is when a presenter wants to use a projector and screen. Having the ability to control the lighting can lead to a more clear presentation.

**Camp Lunch** – the only required meal for the entire weekend is the lunch for the regional camp athletes/coaches on Saturday. While this is budgeted for, the host club will need to provide help to order the food, pick-up the food and provide an onsite place for the lunch to take place. We are only feeding around 9 athletes and 9 coaches (those involved in the camp), but the organization of this lunch needs to be handled by the host club.

## Host Club and Regional Chairman Responsibilities

The entire upfront work and organization of the Super Weekend is handled by the Regional Chairman. The main purpose of the host club is to provide the facility, equipment, host hotel and lunch for the camp. Depending on the Master Clinician, the host club may also be required to provide transportation to and from the airport for the Master Clinician.

**Financial Responsibilities** – all of the finances are handled by the Regional Chairman. The Regional Chairman is responsible for securing the sanction from USAG, organizing and running the FS competition, handling all registration forms for the FS competition, handling all coaches' registrations for the congress portion of the weekend, setting up the schedule of events for the weekend and providing clinicians including the Master Clinician.

**Facility Rental** - The host club is paid a reasonable fee for hosting and providing the facility. The budget for this facility rental is set at \$1,000 - \$1,500 depending on the amount needed to replace lost revenue for cancelled classes or other weekend events in order to host the Super Weekend.
