

**White Bear Lake Hockey**  
**2025/2026 PeeWee B1 Black Team**  
**Sponsorship Opportunity**

Dear Community Member,

We are reaching out to you as a part of the White Bear Lake PeeWee B1 Black team, a proud representative of our passionate hockey community. We need your support to keep the cost of hockey down and provide the team with invaluable, lifelong experiences and lessons. Hockey is not just a sport in our state; it's a way of life. Our team is a key part of this hockey culture by developing young talent, cultivating teamwork and instilling valuable life lessons in our players.

Along with our 15 regular district games and numerous scrimmages, our PeeWee B1 Team will be competing in several tournaments this season: The "Mankato Meltdown" in Mankato, the "Lumberjack Cup" in Stillwater, "Ice Fest" in Breezy Point and another to be announced. Additionally, our team will participate in District 2 Playoffs hosted in Stillwater, MN with our sights on taking it all the way to State!

With your donation to the team, we will display your support on all occasions possible and ensure the players represent our community with the integrity and honor it deserves, both on and off the ice. Our tiers of sponsorship follow for your consideration.

**Sponsorship Tiers**

Our players are learning to become genuine leaders and are proud to be involved in their communities. They are the foundation of the future and know that a strong community is built from the ground up. To support them would be your show of faith that members of this wonderful community also believe in them and lead by example.

Again, we can't thank you enough for your consideration and generosity!
