

Dear Impact SC Players & Families,

This year we are offering you access to the Techne Futbol app ([technefutbol.com](http://technefutbol.com)). Techne is a training resource, developed by long-time professional player Yael Averbuch, that guides players in their self-training.

We are committed to our players' development on and off the field and we are very excited to be offering this resource!

**You will** be receiving an email invitation to join Techne Futbol, then you can access the app via the app store and start training! We expect players to be logging a minimum of 15 minutes per week of individual training using the Techne app. There will be weekly sessions, time trial drills, and you can compete to climb to the top of the leaderboard each week.

If you have any trouble accessing your account, please contact [support@technefutbol.com](mailto:support@technefutbol.com).

We're excited to include this resource in our players' development.

Thank you,

**Jim Brandon**
