

Refund Policies

The following document describes the refund policies of Harbor Soccer Club for various programs operated by the club. In general, these are the policies that will guide refund decisions in most circumstances. However, the Board of HSC reserves the right to adjust the refund policies on a case-by-case basis at its sole discretion with or without notice.

Harbor Premier Soccer (including Jr Academy)

Program fees are agreed to in their entirety upon acceptance of a roster spot following tryouts and/or team formation. If HSC's installment payment plan is utilized, any calculation mentioned below is in relation to total program fee for the year. In some cases, this may result in a balance due to HSC upon a voluntary departure from the club and release of the player.

Voluntary Departure from the Club

- Should a player voluntarily leave within 6 months of assignment to a team, a maximum refund of 50% of the program fee is available.
 - Month 1 – 50% Refund
 - Month 2 – 40% Refund
 - Month 3 – 30% Refund
 - Month 4 – 20% Refund
 - Month 5 – 10% Refund
 - Month 6 – 5% Refund
- The 6-month period for U15 through U18 (High School Age) boys ends August 31st. For all other teams, the 6-month period ends October 31st.
- There will be no refunds for voluntary departures from the club after 6 months.
- A written withdrawal request must be submitted to the HSC Registrar, Program Director, and General Manager. The date of this request will be used in the determination of the potential refund.
- Fees paid to team treasurers for the costs of team operating expenses are not refundable.

- Release from HSC (and ability to roster with any other club in Washington) is contingent on financial status being current as outlined above.

Transfer out of area

- Should a player leave the club in association with a family move out of the area, a refund maybe provided. Proof of the new address out of area may be requested.

The refund is according to the following schedule:

- Within 3 months of team assignment: 75%
 - Within 6 months of team assignment: 50%
 - More than 6 months after team assignment: calculated on case-by-case basis depending on how much season is left
- Fees paid to team treasurers for the costs of team operating expenses may or may not be refundable depending on whether funds have been expended. Since this could be any amount, it will be dealt with on a case-by-case basis.

Long-Term Injury

- If a player is injured and cannot participate in practices and/or games, and the recovery period lasts 2 months or more, a refund or credit for the amount of months the player is out maybe provided. This period will begin with the first month following the injury. The parent of the player is responsible for notifying HSC when the player is injured and when they are eligible to return to play. A notice from a medical provider may be requested.
- For any injury that due to its severity results in the player's immediate removal from play for the remainder of the season, the refund period will begin in the first month following the injury. A notice from a medical provider will be requested. The refund or credit will be calculated according to the number of months left in the season.
