***Proposed Motion to approve policy language for reimbursement of background checks**

Motion: by Jason, seconded by Brian, all in favor - to approve the policy language for reimbursement of background checks

*Background screening according to UAHA and USAH Policies and Procedures are required for all adult coaches, board members, staff and other volunteers that have regular interaction with athletes. USAH requires a valid background screen that has been completed within the previous season. If you did a screening for the 2019-2020 season, you do not need to do a screening for the 2020-21 season. Applicants will be required to pay for their own screening. **DCYHA will reimburse for all necessary background screenings however we will deny unnecessary background screening.** Reimbursements will only be given for current year background screenings. Reimbursements will not be given for background screening in consecutive years. If reimbursement was given for the 2019-20 season, reimbursement will not be given for the 2020-21 season because the background screening is unnecessary.*

- Reimbursement form will mirror that used for the Eagles.

***Proposed Motion on refund for 2019-2020 Eagles Families**

- Discussion ensued about refunds and amounts. It was apparent that all necessary parties were not involved in determining amounts. Don suggested things done in isolation doesn't help cohesiveness.
- Jens suggested we sideline this motion until a proper proposal can be created.

Proposed 2021 Iron Cup Hockey Tournament Rules

It is the intent of the Davis County Youth Hockey Association (DCYHA) to provide fun and competitive games for all participants and spectators during the Iron Cup Tournament.

ZERO TOLERANCE and USA Hockey Code of Conduct for all Players, Coaches, Parents, and Spectators will be enforced: We expect that everyone show good sportsmanship and respect to officials, players, and coaches. There will be “zero” tolerance for verbal abuse to officials, and inappropriate spectator behavior towards opposing teams or opposing spectators. At any time an official or tournament director may remove a spectator from the rink for violating these rules. It is the responsibility of the coach and team manager to control their respective team and their spectators and to ensure they exemplify good sportsmanship. Coaches, Team Managers, Parent Volunteers should be familiar with the USAH coaching Codes of Conduct in the USA Hockey *Official Rules of Ice Hockey*. The USA Hockey Code of Conduct standards can be found here:

[-http://www.usahockeyrulebook.com/page/show/1015129-codes-of-conduct](http://www.usahockeyrulebook.com/page/show/1015129-codes-of-conduct)

The 2020 Iron Cup Hockey Tournament is a USA Hockey sanctioned tournament; USA Hockey Rules will govern hockey play. All games will be officiated by USA Hockey certified ice officials.

Damage to the rink and/or facilities:

The repair and replacement costs involved with damage done to any property at any ice arena, hotel or other facility will be the responsibility of the team(s) and the individual(s) causing such damage. Immediate arrangements for restitution must be made and violations of this rule are cause for disqualification from the tournament and the incident may be reported to the team’s local, State, or Regional governing hockey body.

Player/Coach Chick-in and Safety Guidelines

ALL PLAYERS, COACHES AND STAFF MUST BE ON THE USA HOCKEY ROSTER TO ENTER LOCKER ROOMS AT THE 10U, 12U AND 14U AGE DIVISIONS. At the 8U Age division, Players and coaches must be USA Hockey rostered and each player may be accompanied by 1 adult for the duration of the tournament. Locker room hallway monitors will be on staff at all times during the Iron Cup and are safesport and USA Hockey registered. These regulations are in place to protect the safety of all players participating in the Iron Cup Tournament.

Tournament rules and format (10U, 12U & 14U Divisions)

1. **The home team will wear dark jerseys.** If a team does not have two sets of jerseys, it is the team manager and coach’s responsibility to notify the opposing team and referees of any necessary change prior to game time.

2. The only persons allowed on the benches, during games, are the “2019-2020 USA Hockey Official Roster” players in team uniform and safety gear (helmet) and a maximum of four certified 2019-2020 USA Hockey registered coaches. All players and coaches must appear on a USA Hockey Official Roster or equivalent. A credential check will be done prior to the start of the tournament. Team rosters will consist of players that are rostered for the team for the 2019-2020 USA Hockey Season and appear on the 1-T USA Hockey roster, as submitted to the 2020 Iron Cup committee, with the official team registration documents. **This is a “B” tournament.** No “ringers” allowed. No tier-level players are allowed in this tournament unless pre-authorized. No Nationally-bound teams or players on nationally bound teams are allowed in this tournament. **Each team must provide a penalty box attendant for each game, the exception being the championship games. The penalty box attendant is considered part of the off-ice officiating team and is to behave in an impartial manner as outlined in the USA Hockey.** The penalty box attendant is to cooperate with the official scorer and timekeeper in adhering to the rules of the game. Coaching from the penalty box is not allowed.
3. All players must wear required equipment according to USA Hockey rules. Those rules can be found here: <http://www.usahockeyrulebook.com/page/show/1084402-rule-304-protective-equipment>
Coaches on ice during 8U games must wear an approved hockey helmet.
4. Teams will be awarded two (2) points for a win, one (1) point for a tie, and zero (0) points for a loss. The round robin portion of the tournament will not have tie-breakers (no shoot outs, no overtime). In the event that teams are tied at the end of the round robin portion, the tie-breaking criteria will be based on:
 - (1) head to head outcome;
 - (2) goals against;
 - (3) penalties in minutes,
 - (4) goals for,

(5) coin toss by tournament director, in this order. *A tiebreaker is only used to break one tie. In the case of a three-team tiebreaker, the tiebreaker will be used to select one team and a new tiebreaker will start over between the two remaining teams.* A game misconduct will count as 10 minutes and a penalty shot will count as 2 minutes for the purpose of counting penalties minutes.

5. All round robin games and consolation games will consist of three 12-minute stop time periods. It is up to the officials and the time clock personnel to determine if run time needs to happen to be able to lay in the designated time slot allocated for that game.

6. If a minor penalty is called, the duration will be for 1 minute 30 seconds in the penalty box. If the opposing team scores on the power play, the penalty is then deemed served and the player can return to normal play.

7. If at any time the goal differential between the teams reaches five (5), the game clock will go to run time and will only stop on whistles for the following:

- (1) Goal differential drops below 5
- (2) goal is scored
- (3) Penalty is assessed
- (4) injury time out
- (5) team time out

** In trying to stay on time, the Tournament Director has the right to go to run time at their discretion during any period of the game.

8. There will be a three-minute pre-game warmup and one minute breaks between periods

9. Teams will be allowed one 1 minute time out per game.

10. There will be no ice resurface between periods.

11. Teams should be prepared to start 15 minutes before their scheduled game time. This will give the tournament personnel time to conduct a roll call prior to each game.

12. Players may only be rostered in one age division (no double rostering) and only on one tournament team.

13. No protests allowed on officials' judgment calls. Only infractions of USA Hockey rules and tournament rules will be heard. Protests must be filed with the tournament director within 15 minutes of the conclusion of the game. A judgment will be rendered within 90 minutes of receipt of the protest.

14. At the conclusion of the game, it is the responsibility of the head coach or his/her designee to review the scoresheet front and back to determine if any players or team officials are suspended or disqualified from participating in any future games. Match penalties will result in the offending player's disqualification from the tournament and subsequent reporting to the player's local governing body.

15. The Tournament Director is the final authority for the interpretation of any tournament rules, grievance regarding players, team officials and spectators.

CHAMPIONSHIP GAME SPECIFIC RULES

1. The championship games will consist of 3 – 15 minute, stop time periods. There will be a 3-minute warm up before the game and 1 minute break between periods. There will be no ice make between periods.

2. If a minor penalty is called, the duration will be for 1 minute 30 seconds in the penalty box. If the opposing team scores on the power play, the penalty is then deemed served and the player can return to normal play.

3. If, at the conclusion of three periods, both teams are tied, we will proceed to a five minutes sudden death overtime play. Game format will be 3 vs 3. At no point will a team have less than three skaters on the ice at any given time. **If a penalty is called, the duration will be for 1 minute 30 seconds.** The individual called must be sent to the penalty box and another player can replace them on the ice.
4. If at the conclusion of the overtime, the game remains tied, we will proceed to a three-player shootout. If the tie remains, each team will continue to shoot until a winner is named. No shooter shall shoot more than once until all other team members have taken a shot.
