

BYBA - BURLINGAME YOUTH BASEBALL ASSOCIATION SPONSORSHIP OPPORTUNITIES

BYBA is a volunteer run organization dedicated to **building community through baseball** by providing a positive baseball experience to Burlingame children since 1992. Based out of Bayside Park, over 500 local kids learn not only how to play the game, but life skills including perseverance, teamwork, attention to detail, as well as winning and losing with grace. These character attributes help form the foundation of our future Burlingame community.

Equally important to BYBA's mission is our ongoing sponsorship alliance with community businesses. These sponsors support the not for profit ethos of BYBA and are critical in helping keep registration fees as affordable as possible by offsetting operating costs. Sponsors also allow us to offer a scholarship program so that no player is denied participation due to a lack of financial resources.
