How do I request field or cage time?

Field and cage time will be controlled by the “scheduling group” for 2019. This group consists of Shawn Bernard, Tara Brauninger, and Jason Bourgeois.

IMPORTANT: YOU must do the work to find the replacement field. We WILL NOT search for you. Our role is to control the fields fairly and properly update the league schedule. You need to propose the complete change, or the request will be ignored.

To request a field, you MUST either

1. **EMAIL REQUEST:** Write an email THIS address field.request@uxbridgebaseball.com
 - a. This goes to the group above and will be filtered into request. So only use that address, not their individual addresses or your request may be lost.
 - b. Requests must be made 48 hours in advance!
 - c. Include the following:
 - i. Division
 - ii. Team name
 - iii. Your name (Manager)
 - iv. What you want to ADD
 - v. What you want to REMOVE
 - vi. What you want to CHANGE

OR

2. **WEBSITE REQUEST:**
 - a. Go to the website www.uxbridgebaseball.com and use the Field Request page.
 - b. From that page, click the email icon button that will launch a form to send the email through the site with your request. Include all information to expedite your request.
