TYPE OF COLLEGIATE SKATING TEAMS	DESCRIPTION
INTERCOLLEGIATE	Skaters compete in events based on their test levels. Must be full-time students, as defined by their school. Teams attend the three competitions held in their assigned section/conference. The sections are divided up between the Intercollegiate Conference Map as Midwest, Pacific, Northeast and Southeast.
OPEN COLLEGIATE	8-16 skaters, no minimum skating test, non-qualifying competitions under 6.0 judging system.
COLLEGIATE	12-20 skaters, must pass Juvenile MIF test, non-qualifying competitions and Sectionals, opportunity to advance to U.S. Synchro Skating Champs, IJS system using Junior FS rules.
JUNIOR	Many skaters on junior and senior teams are also full-time college students. Those student-athletes that meeting the age requirement can compete junior during the first or even second year of higher education.
SENIOR	Full-time students also have the opportunity to skate in the senior division both representing a university or a skating club. Miami University & Adrian College both support senior teams at their institutions. Other student-athletes might attend a university full-time but participate with a senior team like the Skyliners, Haydenettes, or Crystallettes.

**Don't see a skating program at the school you are looking for? You can start a team!
