

# Southwest Youth Basketball Organization (SWYBO)

## 2021-22 Season Information

Dear SW Youth Families:

We are looking forward to the upcoming basketball season and glad that you are choosing to be a part of SWYBO.

Coach Polkowski will be running his fall clinics in October and we hope that all youth players will take advantage of the opportunities to work on their skills and get ready to play. See the Camps & Clinics tab on our website [www.gbsouthwestbasketball.com](http://www.gbsouthwestbasketball.com) for sign-up information.

Youth tournament team registration is now open as well. Please see the link on our homepage to complete the process. Teams will start to form and practice in late October/early November with some grade levels starting weekend league play in November. As per previous years, teams will practice in the evenings 1-2x/week throughout the season. Once gym availability is known, coaches will distribute the specific practice and game schedules.

Please see the fees/fundraising document on the website as well. Parents will be required to volunteer their time to help cover admissions/concessions when we host games in our gym. The volunteer coordinator will be working with coaches and their rosters/schedules to assure shifts are covered. A \$50 deposit will be required and when the volunteer obligations are met, SWYBO will refund this amount.

Don't hesitate to email me with questions you may have about the SWYBO season.

Thank you for your support of Southwest Youth Basketball!

Be sure to check us out at: [www.gbsouthwestbasketball.com](http://www.gbsouthwestbasketball.com) and especially the "About Us/Apparel" tab where you will find "FAQs" that cover most of the details re: SWYBO.

Sincerely,

Cory Peed  
SWYBO President
