Kansas SRC Policy 2.8.13
USSF Grade Requirements

The US Soccer Referee Program establishes policy that addresses minimum requirements for each separate Referee Grade, whether it be grade retention, grade maintenance, or Referee upgrade. Those minimum requirements are detailed in the .pdf (2021 RefereeReqs_final) which is available under the Administration Tab of Kansas Referee web site. Minimum Requirements are also established for Assignors, Assessors, and Instructors, by US Soccer Referee Program Policy.

The Kansas SRC may specify additional requirements and/or further define (without changing Policy intent) those established minimums in order to meet the needs of the Kansas State Referee Program and demand of those affiliates it serves.
