The Tyler Brady Scholarship program in accordance with the AYH mission is designed to provide an affordable, high quality hockey experience to those who have a financial need. This program is not meant to be a handout but rather a financial assistance program made available to those who meet the qualifying criteria and are committed to the organization. Recipients of the scholarship will be required to complete volunteer hours based on the level of assistance they receive in a ratio of 1hr/\$50 received. For example, if your player fee is \$1,000 and you receive the max scholarship of 50% (\$500), then your volunteer hour commitment would be 10 hours (\$500/\$50). This is **in addition** to the standard number of volunteer hours required per player. Please contact the Administrator or AYH Volunteer Coordinator to learn of opportunities that will help you meet your volunteer requirement.
