**Three levels of Pre-Hockey classes are offered in six (6) week sessions throughout the year for skaters ages 4 and up. Skaters are coached basic hockey skating skills focusing on hockey stance, stride, knee bend and edge use. As players progress they are gradually introduced to hockey gear and hockey sticks by Pre-Hockey 3.**

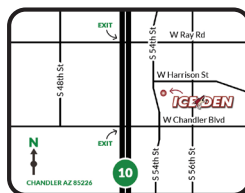

*Pre-Hockey Prerequisite: PH-1 Skaters must be able to skate across the ice unassisted in hockey skates both forward and backward, and glide on one foot.*

**Upon enrollment in Pre-Hockey 3, players are invited to participate in the CDP Chandler Initiation Program (IP).**

IP serves as a bridge between Learn to Skate and house/recreational hockey by teaching players hockey rules, concepts and introducing scrimmage play. Graduation from the Initiation Program leads to the Coyotes Development Program for age divisions Mini-Mite, Mite, Squirt, Pee wee and Bantam. The program features a fall/winter house hockey season, as well as clinics and camps. Players are given equal opportunity to participate and encouraged to play all positions. Registration opens annually in June.

*Skaters cannot bypass PH-3. A valid LTS registration in PH-3 or a PH-3 completion evaluation is required to register for IP. Advanced enrollment in IP simultaneously with PH-3 provides the opportunity for a player to complete IP earlier and expedite league/team play.*
