

MMYFCL Memorandum # 2021-Gen-2

To: All Program Directors
From: MMYFCL Executive Board
Date: September 9, 2021
Re: Authorized Sideline Personnel, Covid procedures

The following procedures are in place for this season:

No waterboys

Only one camera person for each team who is only allowed from the 30-yard line to the goal line and may be not be in the back of the end zone.

No postgame handshakes fist bumps etc.

The only people on the sideline are the players and coaches on the certified roster of the team that is currently playing, 2 spotters, 1 cameraperson, the chain volunteers, and program leadership (the people listed on the league contact sheet.) That's it; last week when board members visited fields we saw numerous teams with unauthorized people on their sideline. This is unacceptable anytime especially during a pandemic. Consider week 1 your warning, starting this week teams found to have unauthorized people on the field while they are playing will be referred to the rules committee for disciplinary actions.

This memorandum is being sent via electronic mail to the all program directors. The delivery via electronic mail to the e-mail address of the program director constitutes service upon the program.
