Millard North Baseball, Inc., a non-profit corporation, offers a limited number of advertising banners to be displayed at Millard North's baseball field for the entire summer season — that's over 60 games played by the three summer teams made up of Millard North players. Banner proceeds are used to help reduce player fees for the American Legion summer season as well as defray team expenses like uniforms, umpire fees and field maintenance

Your banner will be on display for fans from all over the Omaha metropolitan area and beyond, reminding fans to patronize a business whose generous sponsorship helps support American Legion baseball at Millard North High School.

Banner Sponsorships come with added benefits:

- Full Color Banner posted in the field or grandstand areas.
- In-between Inning recognition of your business by our announcers at each home game.
- A booth at our Sponsor Night hosted at our home field at Millard North.

A small investment in a banner at Millard North can pay BIG dividends by advertising your business while showing your support of high school baseball!

Thank you!
